Creating Connections Through Cohesive Wellness - Bento Boxes #WellnessWednesday

We would like to introduce you to the newest member joining the food and beverage team in the near future; our bento boxes! This reusable service option is not only environmentally friendly, it is also more upscale than a paper box and it offers your attendees a safer option than a standard buffet.

To see some of the menu items that will be in our new boxes, visit our [Wellness Menu](#).

Until we meet (and eat) again,
