Creating Connections Through Cohesive Wellness - Month of Caring #WellnessWednesday

During the COVID-19 Pandemic we have witnessed our non-profit clients having to cancel their annual auction and fundraising events. In a time when more of us need those charitable resources, these local organizations have been hit hard by reduced funding.

As the Lynnwood Convention Center and the ASM Global team thought of how we could continue to support these organizations, an idea sprung to life...

The Lynnwood Convention Center has selected September to celebrate a Month of Caring. We kicked off the celebration with International Day of Charity on September 5th and are spending the month of September honoring our non-profit partners (clients) by highlighting their great work on our website and through our social media outlets. This recognition will wrap up with a multi-charity donation drive on Wednesday, September 30th from 10 am - 6 pm.

Following Washington State's Safe Start guidelines, donations for our non-profit partners will be accepted on the lower level drive of the Lynnwood Convention Center. To ensure health and safety guidelines are in place, you will be able to drive to the donation booths of your charities of choice and hand off your donations from the comfort of your vehicle.

To find out more about our participating partners, visit **Month of Caring** on our website.
