Creating Connections Through Cohesive Wellness - Meetings are Back

#WellnessWednesday

We heard that the new guidelines hyperlink wasn't working last night so thought we would share our news again this morning!

Our excitement is palpable and we couldn't wait until Wednesday to send out our Wellness Wednesday email! **Meetings are back!** Due to the additional cleaning, air flow and physical distancing measures that meeting venues like the Lynnwood Convention Center can put into place, the Governor has approved a proposal to allow venues to host business meetings of up to 30% capacity or 200 attendees, whichever is less.

That means the Lynnwood Convention Center is open for business meetings!

To read more about the new guidelines, visit [Phase 2 and 3 Miscellaneous Venues COVID-19 Requirements](#).

To see our current capacities and diagrams, visit [Physical Distancing Capacities](#).

For more information about our re-opening plan, visit [Safe Re-Opening Plan](#).

To request a proposal or check on availability, contact [the Sales Team](#).

We look forward to welcoming you back to the venue soon!
