## Creating Connections Through Cohesive Wellness - Celebrating 15 Years

#WellnessWednesday

In anticipation of Phase 3 and being able to host events of up to 50, we have extended our Executive Packages to be good for groups of 10 to 50. These per person packages include everything you will need for your event; room rental, food and beverage and basic audio visual. We will also give groups a complimentary room upgrade to adhere to physical distancing guidelines.

Everyone is missing events and celebrations during this time and the Lynnwood Convention Center is no exception! The Convention Center's 15 Year Anniversary was in April and we have been challenged with how to commemorate the special occasion while restrictions are in place.

So...in honor of 15 years, we are offering 15% off of the Executive Packages. Here is your chance to help us celebrate both our anniversary and the return to being able to gather!

We look forward to seeing you soon!
