

## We are in Phase 2!

On Monday, February 1, Snohomish County officially entered Phase 2 of the **Healthy Washington plan**. For venues like the Convention Center, it means that in person meetings are permitted with a maximum capacity of 200 or 25% capacity (not including vendors), whichever is less, so long as six feet of physical distancing is maintained between groups. For more information, visit **Phase 1 and Phase 2 Weddings, Funerals, and Events COVID-19 Requirements**.

## Small Meeting Packages

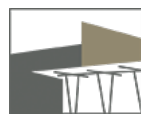

Our one-stop-shop meeting packages are designed to make planning for smaller groups quick and effortless. With a variety of packages to meet your needs, these selections accommodate 10 to 50 people for a half or full day meeting. In addition to the carefully planned menu, the per person price includes audio visual, room set up and room rental in a meeting space set up for appropriate social distancing. ## Diamond Skies of Sky Valley

Each year, thousands of stargazers converge upon the aptly-named Sky Valley in Snohomish County in search of a quiet spot to enjoy the stars and other nocturnal phenomena. For more information, visit **Seattle Northcountry**.
