Summer Events & Celebrations

As we head into the warmer months of the year, the Lynnwood Convention Center is gearing up to host a variety of summer events and celebrations. From retirement parties, bridal or baby showers, to graduation celebrations and family reunions, the Convention Center has multiple event packages and menus that can be tailored to each event. You can even enhance your menu by adding a fresh summer cocktail to your menu such as a Strawberry Basil Spritzer or a Picnic Punch. To plan your summer gathering contact info@lynnwoodcc.com

Streaming & Recording Packages

Hybrid is the new normal, and whether you are connecting a live virtual audience or filming your event for upload later, attendees are beginning to expect access to the video content of your event. Herein lies the value proposition - if you have multiple ways to connect with your event, it follows that you have multiple ways to engage attendees with measurable results. Through our partnership with TEP, we can stream

or capture your event, host the video, and create monetizable access for a period of time or in perpetuity. The best thing? Video assets are both sales and marketing tools with the analytics to equip you with instant feedback. Find out more at techeventpro.com.
