

Ready When You Are!

At the Lynnwood Convention Center, the health and safety of our guests and employees is our top priority. Over the past several months our team has been diligently working to ensure we are ready for reopening by updating our cleaning procedures, installing sneeze guards and linen-less classroom tables, increasing airflow through our HVAC system, and updating menus and food service. When the time comes to plan your next event, we're ready to help you to do so safely.

Plan the Wedding of Your Dreams

Our increased safety protocols ensure your special day is a safe place to celebrate. With all-encompassing packages for weddings and receptions, ideas on the best way to personalize the space and a culinary team who focuses on innovative and cultural menus, the Lynnwood Convention Center is the ideal location for A Space to Experience More on your special day. Learn more on our [website](#).

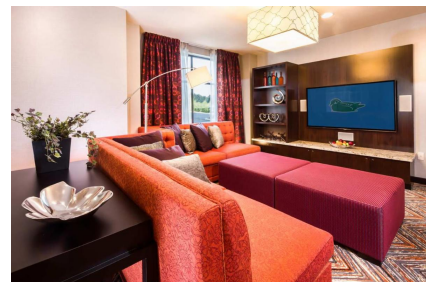

Video and Live Streaming

Whether you're streaming to a global audience, connecting to overflow rooms in the building, or recording for your archive, we have the right package for you. Thanks to our partnership with TEP, we are offering expanded production services and a myriad of AV and camera packages to capture your event and take it to the next

level. Bring back your audience safely utilizing our room-to-room video overflow capabilities for socially-distant groups. Connect with your virtual attendees as easily as you do with your in-person audience. More info at techeventpro.com.

Homewood Suites: Take Time to Relax

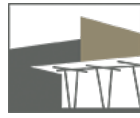

Homewood Suites by Hilton® knows you need your downtime...especially when you're away on business. Enjoy spacious suites, free full hot breakfasts, complimentary evening socials, and free wifi. For more information and reservations visit [Homewood Suites Lynnwood](#).

A Safe Place to Meet
