

## Press Release

Month of Caring - September 2020

August 31, 2020

## Lynnwood Convention Center supports non-profits with a Month of Caring

During the COVID-19 Pandemic, the Lynnwood Convention Center has witnessed our non-profit clients having to cancel their annual auction and fundraising events. In a time when more of our community members need those charitable resources, these local organizations have been hit hard by reduced funding.

To help highlight some of the great work our partner and client organizations are doing, the Lynnwood Convention Center has selected September to celebrate a **Month of Caring**. Kicking off this celebration is the International Day of Charity on September 5th. During the month of September, the Convention Center will honor our partner and client organizations on our website and social media platforms. This recognition will wrap up with a multi-charity donation drive on Wednesday, September 30th from 10 AM - 6 PM on the lower drive of the Lynnwood Convention Center.

Following Washington State's *Safe Start* guidelines, donations for our non-profit partners will be accepted on the lower level drive of the Lynnwood Convention Center. To ensure health and safety guidelines are in place, community members will be able to drive to the donation booths of these charities and hand off donations from the comfort of their vehicle.
