

Welcome Back!

There are so many exciting things happening at the Lynnwood Convention Center now that we are back to being able to host business meetings!

Washington State Governor Jay Inslee recently announced the reopening guidelines for large gatherings during Phase 2. Meetings are currently permitted up to 200 people or 30% occupancy per meeting room (whichever is less) for business meetings, training, and testing activities. Additionally, weddings are permitted in Phase 2 for up to 30 guests.

Committed to Your Health and Safety

The Lynnwood Convention Center is proud to be a member of VenueShield, an internal ASM Global environmental hygiene program, and has also received GBAC STAR™ facility accreditation. GBAC STAR™ is a performance-based accreditation program that helps facilities demonstrate they have the work practices, procedures, and protocols to prepare, respond, and recover from outbreaks and pandemics.

For more information on these protocols, visit our **[website](#)**.

In conjunction with our *VenueShield* and GBAC STAR™ programs, our team has gone through great lengths to implement many changes to ensure your next event is met with heightened sanitization and hygiene practices. We have also created new offerings and modified other services to ensure the health and comfort of our guests.

To review the full scope of our safety measures we invite you to review our:

Updated Food and Beverage Service

One of the core values for the team at the Lynnwood Convention Center is Adaptability and this can also be seen in our menu offerings and service changes. Not only has our menu been updated but we have also recreated meeting packages that are inclusive of room rental, food & beverage and audio visual.

Accommodations

We are very lucky to have some great hotel partners in Lynnwood and we would like to introduce the newest member of that team; the **[Hilton Garden Inn - Lynnwood!](#)**

Hilton Garden Inn - Lynnwood opened their doors in June of this year to meeting and convention goers, dining fanatics, and travelers. The full service hotel offers 154 guest rooms, over 2,100 square feet of flexible meeting space, an oversized fitness room, indoor pool/spa, and “The Garden Grille & Bar”. With Hilton’s “EventReady” and “CleanStay” programs, guests can be assured additional steps are being taken to ensure the hotel is thoroughly cleaned with an emphasis on ‘high-touch areas’.

Local Adventure

Lynnwood is located just north of the King/Snohomish county line. This convenient location at the apex of I-5 and I-405 allows for a easy access from all over the Puget Sound area. Add in Lynnwood Convention Center's free parking and you have a winner.

Our local treasures can also make that half day meeting a fun day trip or that multiple day conference a mini vacation. The City of Lynnwood and Snohomish County are filled with fun adventures from great hiking and kayaking to visiting our Aviation District. Whether touring the Boeing factory floor or viewing WWII fighter jets, our aviation museums will satisfy even the greatest aerospace enthusiast.
