Creating Connections Through Cohesive Wellness

#WellnessWednesday

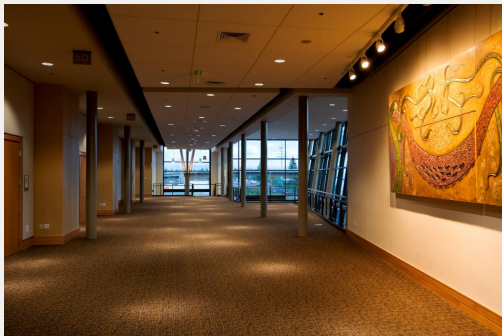

We hope this email finds you and your family safe and healthy! As we navigate through this unprecedented time, we are reminded that we are all in this together. With events are not happening right now, the Lynnwood Convention Center is focusing on the wellness of our industry and thinking ahead to how we will adapt to in-person meetings in the future.

Welcome to the first Edition of Wellness Wednesdays! Over the next few weeks, we will be sharing some of the creative ways we will be moving forward to redesign events in an effort to promote social connectedness and collaboration while incorporating physical distancing and limiting touch points.

We look forward to connecting with you in the weeks to come and to seeing you in person soon!
