

"Gordon is great to work with. His rates are more than fair, he is well-kempt, responsive, and good with our customers and their kids. He is also quite resilient and flexible."

*-Tom Aldrich
Western Montana Fair*

"Mr. Jacobs was part of the Red River Valley Fair in 2019 and provided a strong, family-friendly attraction for all age groups. His train was the highlight for many families as they toured the fairgrounds."

*-Bryan Schultz
Red River Valley Fair Association*

*"Gordon's train is top-of-the-line. It's clean, brand new, and a cool replica of an old-fashioned steam engine. One of our staffers is, in fact, an avid train hobbyist and was quite impressed. Best of all, it's electric!...It's smooth, quiet, safe, and comfortable.
It was an absolute hit!"*

"I hope that the joy people feel riding the Northwest Express Railroad will inspire them to see the world and have their own adventures. Like a real train, it's a way to sit back, relax, and see things from a different perspective."

*-Gordon Jacobs
Founder of Northwest Express Railroad*

ELECTRIC TRACKLESS TRAIN

Our trackless train can be run outside or inside your venue and can carry a mix of 26 children and adults.

BEAUTIFUL CRAFTSMANSHIP

The train is beautifully made in the USA and includes a train whistle, bell, and simulated steam. Corporate Clients include the Marriott, Sea World, and Sesame Place, just to name a few.

BATTERY OPERATED

The train is battery operated so there is no need to worry about the smell of gas or diesel.

PRICING

The cost to have our attraction at your next event is \$300 an hour for a minimum of two hours. \$100 travel fee per event. I carry my own insurance up to \$2M aggregate.
