

Your assistance is greatly needed!

The Hancock Whitney Sea of Stars benefiting Mississippi Aquarium is getting ready to make waves on Saturday, September 23, 2023! This year we are taking the action out of the sky and back to the aquarium.

Join us for a fun night of coastal cuisine, cocktails, silent auction, live music by **The Molly Ringwalds** - - and special animal guests! The VIP CHILL LOUNGE for our Exclusive Sponsors is back, featuring hand-crafted cocktails, including the official Hancock Whitney "signature cocktail," and other surprise amenities!

We are currently accepting donations for the silent auction at the Hancock Whitney Sea of Stars event. As a token of our appreciation for your generosity, we will recognize your contribution both during the auction and on our online auction platform. This event serves as the annual fundraiser for the Mississippi Aquarium, and we sincerely hope that you will lend us your support.

The Mississippi Aquarium is a 501c (3) non-profit organization that plays a pivotal role in coastal conservation, education, and community engagement. Without any subsidies, the Aquarium relies on contributions like yours to provide exceptional animal care, promote education, undertake conservation initiatives, conduct aquatic research, and ensure future growth.

On behalf of the committee, we extend our heartfelt gratitude for your time and consideration.

Warm regards,

Silent Auction Committee
