

THE AQUARIUM IS:

A showcase for animals on land, in the air, and under the sea. Our 360-degree underwater tunnel is only one of three in the world. It allows you to walk through the center of the ocean experiencing sea life all around you. Over 1/2 mile of paths connect the interactive habitats.

FEATURED HABITATS:

- ALLIGATOR/CROCODILE HABITAT
- BIG WINDOW GALLERY
- AVIARY
- DOLPHIN HABITAT
- NORTH AMERICAN RIVER OTTER HABITAT
- FRESHWATER RIVER
- INVERTEBRATE EXPERIENCE
- STINGRAY TOUCH EXPERIENCE
- SWIRL
- TUNNEL EXPERIENCE
- SEATREK

As a world class facility, we always strive to create, invigorate, refresh and reinvent. a forward-thinking strategic plan includes the following:
