Further inspections for quality of food operations may be made by the office. The responsibility for proper food service is that of the VENDOR. It is the responsibility of the VENDOR to be knowledgeable of information regarding proper food preparation and handling, and equipment necessary to pass inspection. The VENDOR will pay the fee required for health inspection directly to the Mississippi State Board of health on the day of inspection. No refunds will be made to any VENDOR who fails to acquire the necessary licenses and permits.
