

# Bees, Bees, Bees

## Supplies:

- Yellow Craft Paper (1 Sheet)
- Black Craft Paper (1 Sheet)
- White Paper (1 Sheet)
- Scissors
- Pencil
- Glue
- Red Marker
- Black Marker

## Instructions:

1. The large template below can be used to cut the Yellow, Black, and White Paper Circles.
2. Cut a small thin strip (Short Side) of the yellow paper for Antenna's, then cut in half. Lets curl up the antenna's by using a pencil to twirl the paper on one end. We will use these later...
3. Using the Template cut (3) Yellow Circles.
4. Using the Template cut (2) Black Circles.
5. Using the Template cut (1) White Circle and fold in half then cut on fold. These are for the wings.
6. Glue one Yellow Circle to a Black Circle and offset about a 1/4 of an inch. Then glue on another Yellow, Black and finish with a Yellow Circle. You just built the Bees Body!
7. Using the small circle template cut out (2) White circles for the eyes. Use the Black marker to fill in the Pupils and Glue on the first Yellow Circle we are now calling the Head. Don't forget to make the bee smile, draw on a mouth with the red marker.
8. Cut (1) Triangular Black Stinger! Glue it on the last Circle of the Body.
9. Glue on the WINGS in between the 1st Black Circle and the 2nd Yellow Circle.
