## JUNIOR LIVESTOCK AUCTION RULES

**LIMIT:** Each exhibitor will be limited to one sale animal or meat pen [rabbit/avian]. There are two exceptions to this rule: (1) Exhibitor(s) who have one or more Grand or Reserve Grand Champions. All Grand and Reserve Grand Champions must sell. (2) The exhibitors of the Grand or Reserve Grand Meat Pen of Rabbits or Avian [four exhibitors only] will also be allowed to sell a large animal if they exhibit one that qualifies for sale.

**SELLING:** Exhibitors of all species shall exhibit their own animals in the sales ring at the time of sale. No exceptions will be made except in extreme emergency. Exceptions must be requested in writing to the Livestock Superintendent. The responsibility for market livestock at the auction remains with the exhibitor until the transportation company moving the stock has it loaded aboard its truck. Thereafter, responsibility will rest with the transportation company for safe delivery.

**WEIGHING:** All sheep, swine, and goats shall be weighed upon arrival at the Fairgrounds for sale weight. All beef shall be weighed following judging for sale weight.

**SALES FEE:** A 5 percent sales fee will be deducted and will go to The Madera District Fair. Any unused funds will be put into a Contingency Fund to cover losses due to uncollectible debts, animal loss reimbursement, and other costs directly related to the auction. In addition, brand inspection and meat promotion fees required by the State of California will be deducted from beef sales, an assessment for the National Pork Producers Council will be collected from each hog sale, an assessment for Lamb Promotion will be collected from lamb sales, and a photo fee of \$7.00 will be deducted from each exhibitor's check.

**ANIMAL INJURY & ILLNESS:** All market animals must be physically able to walk through the sale ring and be loaded onto the slaughter facility truck.

**REIMBURSEMENT:** A market animal that dies at the Fair or is physically unable to load on the slaughter truck after sale will be covered as a contingency loss. The owner will be paid only the amount of the prevailing resale price for that species. If the animal is judged to have been ill or injured at the time of entry it will not be covered. There will be no contingency for breeding stock injuries or

illness. Fair Management will have the final decision on all contingency claims.

**BUYER:** Each buyer will be required to sign a sales slip showing the type of livestock, weight, and price per pound, total price, and the seller's name.

**TERMS:** Buyers shall pay the Madera District Fair for their purchases immediately after the sale.

**SUCCESS:** The success of the sale largely depends on the number of bidders that will be on hand. Therefore, it is important that effort be put forth by you, the seller, in contacting potential buyers to participate in the sale.

**GRADE:** The following grades will be sold:

Market Steer	Group A-B
Market Lambs	Group A-B
Market Hogs	Group A-B
Market Goat	Group A-B
Market Pen Rabbits & Avian	Group 1-2
