Partnered event “Fair Camp” returns for Madera Youth**

(MADERA, CA) – The collaborative team of Madera District Fair and Madera City Parks Department returns for three full weeks of “Fair Camp”, a Kids Camp program geared towards bringing fair related activities to Madera’s youth for three weeks in June.

Madera Fair is proud to connect fair time resources from 4H to Concessions, Livestock to Master Gardening and more with youth through “Fair Camp”. The combination of Parks & Community Services youth activity expertise with Madera Fair’s facility and local partner resources makes for programming full of engaging educational adventures covering all of the components of the annual Fair. **This program is open to kids aged 5-12, and runs from June 10th-14th, June 17th-21st and June 24th-28th at the Madera District Fairgrounds.**

Camp goers can expect livestock, carnival games, along with other entertainment such as exhibiting with local partner resources in dairy heifers, goats, gardening, jam making, clowning and ballooning, dance, homemade carnival games and even a visit from Log Cabin Concessions lemonade stand. Madera Fair for over 80 years has been a hub of entertainment, education and pride to the community, it is exciting to share it with the next generation!
