EXHIBITOR INFORMATION

Look for your department or talent in the bold headings across the top. Many DIVISIONS offer Skill Levels. Many CLASSES offer "any other", when, what or how you create is not an exact class. Our goal with the exhibitor handbook is to increase competition and interest while making it easy for EVERYONE to enter, even FIRST TIMERS! Competing at Madera Fair is fun for all.

GET A HANDBOOK or VIEW IT ONLINE. Check!

1. Look through the book and find the areas that you are interested in entering. It is easy to look at it this way: WHAT you do and HOW you do it! OR HOW you do it and WHAT it is!
2. This book is published yearly and lists all of the departments, divisions and classes that are available for entry.
3. You'll notice a specific YOUTH CONTEST section in orange. If we do not have a comparable contest in youth, then youth are welcome to enter the adult contest section.

SECOND, Fill out your entry form:

1. **ONLINE:** Go to maderafair.com/entry and click the link to enter. ONLINE ENTRY will require you create a user name and password OR sign-in with your existing one. Follow instructions to enter. Review your cart and confirm that all items have been entered. Select "check-out" to continue to payment screen. ALL STILL and FLORICULTURE ENTRIES ARE FREE until August 1st, 2023.
2. **PAPER ENTRY** forms are available in the handbook, at www.maderafair.com or from the Fair Office. Special paper entry forms are required for livestock.
 - a. Sign your form. Youth must include their age, grade and have a parent or leader sign.
 - b. Please include phone number, complete address and email.
 - c. Make sure both the division number and class number are clearly listed on the form.
3. Enter the classes you feel are best suited for your exhibit. The Fair will attempt to enter exhibits in the proper classes when entries are made in error on the form. However, the Fair will not be liable for entries made in error.
4. Refer to rules listed in the department you are entering for further information. If you need help, call the Fair Office at (559)674-8511 or come in and see us Monday through Friday 8:00 AM to 4:30 PM.
5. Complete online OR bring your entry form and fees, if applicable, to the Fair Office by 8 PM on Tuesday, August 22nd, 2023. LATE ENTRIES WILL NOT BE ACCEPTED!

THIRD, Bring your exhibits to the Fairgrounds.

PHOTOGRAPHY RULES

1. You can enter (2) entries per class, per person.

7. All prints must be clearly marked on the back of the mat with the following information:

***ADVISEMENT: Our experience shows simply using double sided tape does not work. Often with the humidity in the building it becomes detached. We suggest glue dots or a stronger adhesive.

8. Images are not to be modified in any way that does not display a true representation of the subject matter of which the photo was taken. Minor corrections to enhance the color, contrast and brightness of a photo are allowed, as long as it is done in reasonable increments (as decided by judges) which do not alter the original natural form of the photograph.

SELLING: Exhibitors of all species shall exhibit their own animals in the sales ring at the time of sale. No exceptions will be made except in extreme emergencies. SALES FEE: A 5 percent sales commission will be deducted from the exhibitor sale check and will go to The Madera District Fair Junior Livestock Auction. Any unused funds will be put into a Contingency Fund to cover losses due to uncollectible debts, animal loss reimbursement, and other costs directly related to the auction. ANIMAL INJURY & ILLNESS: All market animals must be physically able to walk through the sale ring and be loaded onto the slaughter facility truck.

REIMBURSEMENT: A market animal that dies at the Fair or is physically unable to load on the slaughter truck after sale will be covered as a contingency loss. The

There will be no contingency for breeding stock injuries or illness. Fair Management will have the final decision on all contingency claims.

BUYER: Each buyer will be required to sign a sales slip showing the type of livestock, weight, and price per pound, total price, and the seller's name.

TERMS: Buyers shall pay the Madera District Fair for their purchases immediately after the sale.

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE
Karen Ross, Secretary

February 2, 2023

The 2023 Fair Season is just around the corner! This past year was one to reflect upon. As our state reopened after a two-year hiatus, the Network of California Fairs picked right back up and opened the doors of the fairgrounds to welcome local communities to celebrate. Of course, California fairgrounds never stopped serving their communities during the pandemic. In the face of uncertainty, they rose to the occasion and reinvented themselves in as many ways as needed to serve their communities in the best ways possible.

From serving as testing sites and hosting drive-through events during the pandemic, to serving as emergency centers and hosting in-person events, fairgrounds have proven their resiliency over and over again. Whether the community is facing good or difficult times, our fairgrounds are always available and eager to lend a hand. The relationships the fair industry builds within their communities through these experiences are beyond comparison!

The impact the annual fair event has on local communities cannot be stressed enough. Every year the annual fairs attract multitudes to the various fairgrounds throughout the state. For some, it is the carnival rides. For others, it is delicious fair food. And if you are reading this letter, it is probably for your interest in the fair's exhibits. Whatever your reason may be, it all derives from tradition and a peek into technology and innovations of the future, agricultural advocacy, and a sense of community that brings California together.

Fair exhibitors generously invest enormous amounts of time and effort into their projects to represent California's culture and agricultural bounty at its best. While your main goal as an exhibitor is to learn, compete, and celebrate your accomplishments, you are also contributing to teaching your community about an industry that is of paramount importance to our state and the world.

I appreciate all your hard work and commitment to the fair and to agriculture and look forward to what this year has to offer because of your involvement.

Yours truly,

Karen Ross
Secretary
