Dear Executive Director Donahue:

On behalf of the Arizona Constables Association, and the 75 constables who make up our membership, I am writing in support of the Man Up Crusade. Your organization plays an important role in raising awareness of domestic violence. Constables serve thousands of protective orders each year, and see firsthand the effects of domestic violence in our communities.

The Man Up Crusade's efforts to address these concerns through partnerships with the Professional Rodeo Cowboy Association and the Professional Bull Riders have helped to raise awareness and break the cycle of violence.

The Arizona Constables Association is proud to endorse and partner with the Man Up Crusade.

Respectfully,

Ron Williams
President, Arizona Constables Association
