Executive Director Donahue,

On behalf of the membership of the Nevada Sheriff's and Chiefs Association it is my distinct honor and pleasure to be able to write to you today and offer this letter detailing our support and endorsement of the Man Up Crusade. We would also like to express our gratitude to you, the Donahue Family, for stepping up with conviction, courage and a drive to break this cycle of violence.

Our membership has witnessed firsthand the destruction domestic violence has on families and the long term affect it has on children who witness it. We have witnessed the generational effects of this cycle and seen the terror in the eyes of the victims.

We are proud to stand with you as you strive to raise awareness and work to break this devastating cycle of violence.

Respectfully Submitted,
