

Commercial Layer Pen Information

The Commercial Laying Pens are responsible for an explosion of interest in raising egg producing chickens. Egg-producing hens have great personalities and are a great starter project for 4-H and FFA members that want to learn or extend their pure breed poultry fair project. Hens for the Laying Pens must be 1 year old at the time of the County Fair. A Laying Pen will consist of three (3) laying pullets/hens of the same breed and variety (this will be considered as One (1) Exhibit).

The following laying breeds are encouraged: Females only of White Leghorn, Rhode Island Red, Barred Rock, Sex Link, and California Whites. Each exhibitor is solely responsible for caring for their hens, both at home and at the fair.

All Exhibitors are responsible for sending out three (3) buyer's letters to family, friends, and/or local businesses. Monthly Egg Record Sheets (To be handed out at the Mandatory Meeting) will need to be filled out and placed in their Record Books.

A \$10.00 entry fee will be required on the day of on-line registration.

A Silent Auction for Layer pens will be held in the Powell Bldg. Bids will be taken starting

Monday, January 16, 2023, through Saturday, January 21, 2023, 7:00 PM.
