

Manasota FNGLA Horticulture Challenge

Rules for the Manatee County Fair

Overview: The Manasota FNGLA invites all 4H & FFA members at the Manatee County Fair to compete in our Horticulture Judging Contest. This contest originated many years ago and is being brought back! Any 4H or FFA member may compete in correctly identifying horticulture plants for a chance to win ribbons with premium money!

Divisions: Junior, Intermediate, and Senior

Prizes: 1st- Blue Ribbon (\$25) 2nd Red (\$20) 3rd White (\$15) 4th Yellow (\$10) 5th Pink (\$10)

** When registering write down your leader's name (4H) or Chapter name (FFA) for them to be in a drawing for a prize! Each member that competes can submit one leader or chapter in for the drawing! **

Date of competition: January 14th, 2023, from 10:00-11:30AM.

Event Materials: Pencil, Clipboard

FNGLA Plant List (attached)

FNGLA Plant ID Flashcards: <http://www.fnglaplantid.com/central-region/> (Link has most but not all plants. To find more, google FNGLA plant ID on Quizlet.)

Format: Plants will be set out on tables and numbered. 4H & FFA members will be required to identify 30 plants by either the common or scientific name. Students will utilize the plant specimen list and write the corresponding number to the correct plant on their score sheet.

Rules:

- No advisors/leaders/parents will be allowed in the competition area.
- There should be no communication verbally or non-verbally with any other 4H or FFA member or advisor, leader, or parent. This will result in disqualification
- Any sort of cheating will result in disqualification.
- No cell phones or smart watches in the competition area or in the surrounding area where plants are displayed.
- Do not touch or move plants or numbers in front of plants.
- Must be in good standing with club or chapter to participate.

Winners will be announced at the Awards Ceremony on January 21st, 2023, at 7:30 PM.

Horticulture Challenge Plant List

Common Name:	Scientific Name:
<input type="checkbox"/> African Iris	<i>Dietes vegeta</i>
<input type="checkbox"/> Agapanthus, African Lily	<i>Agapanthus africanus</i>
<input type="checkbox"/> Aglaonema	<i>Aglaonema commutatum</i>
<input type="checkbox"/> Areca Palm	<i>Chrysalidocarpus lutescens</i>
<input type="checkbox"/> Autumn Fern	<i>Dryopteris erythrosora</i>
<input type="checkbox"/> Avocado	<i>Persea americana</i>
<input type="checkbox"/> Banana	<i>Musa</i> spp.
<input type="checkbox"/> Bird-of-Paradise	<i>Strelitzia reginae</i>
<input type="checkbox"/> Birdsnest Fern	<i>Asplenium nidus</i>
<input type="checkbox"/> Blue Pacific Juniper	<i>Juniperus conferta</i> ' Blue Pacific'
<input type="checkbox"/> Bougainvillea	<i>Bougainvillea</i> spp.
<input type="checkbox"/> Bromeliad Neo	Bromeliad Neo
<input type="checkbox"/> Bromeliad Starlight	<i>Aechmea</i>
<input type="checkbox"/> Caladium	<i>Caladium</i> x <i>hortulanum</i>
<input type="checkbox"/> Calathea	<i>Calathea</i> spp
<input type="checkbox"/> Canna lily	<i>Canna</i> spp
<input type="checkbox"/> Cast Iron Plant	<i>Aspidistra elatior</i>
<input type="checkbox"/> Cleome; spider flower	<i>Cleome</i> spp
<input type="checkbox"/> Coleus	<i>Coleus</i> x <i>hybridus</i>
<input type="checkbox"/> Copperleaf	<i>Acalypha</i> spp
<input type="checkbox"/> Crinum lily, Swamp lily	<i>Crinum</i> spp.
<input type="checkbox"/> Crape Myrtle	<i>Lagerstroemia indica</i>
<input type="checkbox"/> Croton	<i>Codiaeum variegatum</i>
<input type="checkbox"/> Dumbcane	<i>Dieffenbachia</i> spp.
<input type="checkbox"/> Dusty Miller	<i>Senecio cineraria</i>
<input type="checkbox"/> Elephant's Ear	<i>Alocasia</i> spp.
<input type="checkbox"/> English Ivy	<i>Hedera helix</i>
<input type="checkbox"/> Feijoa	<i>Acca sellowiana</i>
<input type="checkbox"/> Firebush	<i>Hamelia patens</i>
<input type="checkbox"/> Fishtale Palm	<i>Caryota mitis</i>
<input type="checkbox"/> Flax lily	<i>Dianella</i> spp
<input type="checkbox"/> Fountain Grass	<i>Pennisetum</i> spp
<input type="checkbox"/> Foxtail fern	<i>Asparagus densiflorus</i>
<input type="checkbox"/> Heliconia	<i>Heliconia</i> spp.
<input type="checkbox"/> Hibiscus	<i>Hibiscus rosa-sinensis</i>
<input type="checkbox"/> Holly Fern	<i>Cyrtomium falcatum</i>
<input type="checkbox"/> Indian Hawthorn	<i>Raphiolepis indica</i>
<input type="checkbox"/> Japanese Privet	<i>Ligustrum japonicum</i>
<input type="checkbox"/> Lady Palm	<i>Rhapis excelsa</i>

<input type="checkbox"/> Lily-Of-The-Nile; African Lily	Agapanthus africanus
<input type="checkbox"/> Lilyturf; Liriope	Liriope spp
<input type="checkbox"/> Loropetalum; Chinese Witch Hazel	Loropetalum chinense
<input type="checkbox"/> Mandevilla	Mandevilla boliviensis
<input type="checkbox"/> Pansy	Viola x wittrockiana
<input type="checkbox"/> Peace Lily	Spathiphyllum spp.
<input type="checkbox"/> Pentas	Pentas lanceolata
<input type="checkbox"/> Petunia	Petunia x hybrida
<input type="checkbox"/> Pittosporum	Pittosporum spp
<input type="checkbox"/> Ponytail Palm	Nolina recurvata
<input type="checkbox"/> Pothos	Epipremnum aureum
<input type="checkbox"/> Salvia, Scarlet Sage	Salvia splendens
<input type="checkbox"/> Shillings Holly	Ilex vomitoria
<input type="checkbox"/> Signature Tree, Pitch-Apple	Clusia rosea
<input type="checkbox"/> Snapdragon	Antirrhinum majus
<input type="checkbox"/> Split Leaf Philodendron	Philodendron bipinnatifidum
<input type="checkbox"/> Sunpatiens	Impatiens
<input type="checkbox"/> Swamp Lily	Crinum spp.
<input type="checkbox"/> Ti Plant	Cordyline spp
<input type="checkbox"/> Trinette	Schefflera arboricola
<input type="checkbox"/> Umbrella Tree	Schefflera actinophylla
<input type="checkbox"/> Wax Begonia	Begonia cucullata
