

Manasota FNGLA Horticulture Challenge

Rules for the Manatee County Fair

Overview: The Manasota FNGLA invites all 4H & FFA members at the Manatee County Fair to compete in our Horticulture Judging Contest. Any 4H or FFA member may compete in correctly identifying horticulture plants for a chance to win ribbons with premium money!

Divisions: Junior, Intermediate, and Senior

Prizes: 1st- Blue Ribbon (\$25) 2nd Red (\$20) 3rd White (\$15) 4th Yellow (\$10) 5th Pink (\$10)

** When registering write down your leader's name (4H) or Chapter name (FFA) for them to be in a drawing for a prize! Each member that competes can submit one leader or chapter in for the drawing! **

Date of competition: January 18th, 2025, from 9:30-11AM

Event Materials: Pencil, Clipboard

Resources:

FNGLA Plant List (attached)

FNGLA Plant ID Flashcards: <http://www.fnglaplantid.com/central-region/> (Link has most but not all plants. To find more, google FNGLA plant ID on Quizlet.)

Format: Plants will be set out on tables and numbered. 4H & FFA members will be required to identify 30 plants by either the common or scientific name. Students will utilize the plant specimen list and write the corresponding number to the correct plant on their score sheet.

Rules:

- No advisors/leaders/parents will be allowed in the competition area.
- There should be no communication verbally or non-verbally with any other 4H or FFA member or advisor, leader, or parent. This will result in disqualification
- Any sort of cheating will result in disqualification.
- No cell phones or smart watches in the competition area or in the surrounding area where plants are displayed.
- Do not touch or move plants or numbers in front of plants.
- Must be in good standing with club or chapter to participate.

Winners will be announced at the Awards Ceremony on January 25th 2024 at 7:30 PM.

Horticulture Challenge Plant List

***DO NOT write on this paper and return it to the FNGLA leaders.**

- ___ African Iris
- ___ Agapanthus, African Lily
- ___ Allamanda
- ___ Aroid Palm/Arum Fern/ZZ
- ___ Asian Jasmine
- ___ Azalea
- ___ Bald Cypress
- ___ Bird-of-Paradise
- ___ Birdsnest Fern
- ___ Blue Pacific Juniper
- ___ Bougainvillea
- ___ Boxwood
- ___ Caladium
- ___ Calathea
- ___ Canna lily
- ___ Cast Iron Plant
- ___ Cleome; spider flower
- ___ Coleus
- ___ Copperleaf
- ___ Crinum lily, Swamp lily
- ___ Crape Myrtle
- ___ Croton
- ___ Dahoon Holly
- ___ Downy Jasmine
- ___ Dumbcane

Scientific Name:

- Diets vegeta
- Agapanthus africanus
- Allamanda cathartica
- Zamioculcas zamiifolia
- Trachelospermum asiaticum
- Rhododendron spp.
- Taxodium distichum
- Strelitzia reginae
- Asplenium nidus
- Juniperus conferta ' Blue Pacific'
- Bougainvillea spp.
- Buxus microphylla var. japonica
- Caladium x hortulanum
- Calathea spp
- Canna spp
- Aspidistra elatior
- Cleome spp
- Coleus x hybridus
- Acalypha spp
- Crinum spp.
- Lagerstroemia indica
- Codiaeum variegatum
- Ilex cassine
- Jasminum multiflorum
- Dieffenbachia spp.

<input type="checkbox"/>	English Ivy	<i>Hedera helix</i>
<input type="checkbox"/>	Feijoa	<i>Acca sellowiana</i>
<input type="checkbox"/>	Firebush	<i>Hamelia patens</i>
<input type="checkbox"/>	Firecracker Plant	<i>Russelia equisetiformis</i>
<input type="checkbox"/>	Flax lily	<i>Dianella spp</i>
<input type="checkbox"/>	Fountain Grass	<i>Pennisetum spp</i>
<input type="checkbox"/>	Foxtail fern	<i>Asparagus densiflorus</i>
<input type="checkbox"/>	Gardenia	<i>Gardenia augusta</i>
<input type="checkbox"/>	Hibiscus	<i>Hibiscus rosa-sinensis</i>
