SUBMISSIONS - Submission Deadline - January 19, 2027, 11:59pm

Elementary and Middle Schools

Limit 2 entries per category

- Promo Video: 30 seconds - Students will highlight various aspects of the fair.

  Every school is **required** to use pre-fair information to create a "Promo" for your school news before the Fair. This needs to be broadcast before January 14th. It needs to use the materials and information that you receive in your Press Packet.

- Vertical Vlog: 1 minute - Students will create a vlog that condenses their entire experience at the fair (great for social media).

High Schools

  Every school is **required** to use pre-fair information to create a "Promo" for your school news before the Fair. This needs to be broadcast before January 14th. It needs to use the materials and information that you receive in your Press Packet.

- Natural Sound Package: 45-60 seconds - Students will bring you into the sights and sounds of the fair.
- Feature Package 1:15-1:30 minutes– Students will highlight a person or event in depth at the fair.
- Vertical Vlog: 1 minute - students will create a vlog that condenses their entire experience at the fair (great for social media).

New Competition

Individual Entries Any student can submit **one** individual entry that they have created independently. You may use some materials that have been recorded by your group, but the creative work and final presentation must be the work of the individual student. All students must follow the guidelines for the High School entries: Promo Video, Natural Sound Package, Feature Package, or Vertical Vlog. This is open to Elementary and Middle School Students. Non-Cash Awards will be given.

Notes

You can submit your Promo Video early, as you have completed it for your school broadcast before opening day. It will be shown in the Chaires Building as soon as the Fair receives it. It's great publicity for your school.

Please start sharing your other videos with your school as soon as you have completed them.

Find out if you have students at your school that will be entering any of the Fair competitions or activities. You could find a great story to document.

No AI can be used in creation of script or graphics. All content must be created by students.

Ribbon Cutting– 1 press section-Ribbon Cutting pass will be given to each school so that you are assured that you can get good coverage of this event.
