The entry must be pieced/appliqued by YOU (not someone else) and can be hand quilted, machine quilted or tied. You may have the project machine quilted by a professional. It must be a new project...Completed since the last Fair in January 23.

Your quilting project must be at least 50% “Shades of Green” on the primary side. The other 50% may be any colors of your choice. Your project must represent some kind of Agriculture in Manatee County in the past or present. If you decide to celebrate some crop or agricultural history from the past, please provide a short narrative and/or a picture. This is an educational opportunity for our judges and patrons. Examples: sugarcane, celery or timber.

There will be two categories. One for a lap size quilted entry (48”x 48”, which is 2,304 square inches) or larger. The second category is for a smaller project such as a table topper, placemat, wall hanging, pillow, crib size quilt, tote bag or an item of clothing. You may enter one item in each category. This is a separate competition from the usual Arts & Crafts Competition and will not be judged on the Danish System. There will be a 1st, 2nd, and 3rd place in each category. **Judging will be based on skill, appearance, and originality.**
