Greetings from the McLeod County Fair!

We are so excited and honored to be celebrating the 150th Anniversary of the McLeod County Agricultural Association this year! We have BIG THINGS planned, and we invite you to be a part in making our annual McLeod County Fair one of our best yet!

Be it agriculture, education, entering projects, businesses or entertainment, the McLeod County Fair strives to be the best event to highlight the resources and talents of our McLeod County communities. We would like to invite you to be part of this advertising opportunity for your business or organization. Each day is full of educational opportunities and entertainment for the whole family to enjoy. With an estimated 32,000 people in attendance, you won't want to miss this event. Your contribution to our organization will go directly toward the expenses involved in making the fair a success.

Have goods or services to offer in exchange? Let us know! We are interested in working with you if the goods or services can be used to enhance our event.

When considering one of our limited sponsorship levels, last year's sponsors will have first priority to renew. Contact the fair office if you are considering one of the limited sponsorships. We appreciate any level of support that you can provide to our organization and will thank you accordingly. Thank you in advance for your continued support!

See You at the Fair!
