Other ways to help...

Quite often questions are asked of the office and fair board members of "how can I help the fair?" Besides attending daytime and nighttime events or participating in the different livestock/non-livestock shows, any contributions you have to offer will gladly be accepted. We are set up and able to receive tax-deductible donations. Think about leaving something to your fair from your Estate. Your fair has been in existence since 1855 and needs your help to continue in its tradition.

Menard County Fair, Inc. is a non-for-profit organization that relies on your help and state funding.

HOW CAN I HELP THE FAIR?

Menard County Fair, Inc. is a non-for-profit organization who's success relies on the help of donors and state funding. Unfortunately, Illinois State funding for county fairs has been drastically reduced over the years, and with rising costs, we are tasked with doing more with less. Your fair has been in existence since 1855, educating the community and providing entertainment to the area. Together with your help we can continue this great tradition.

*Please consider the Menard County Fair when
planning your estate or making your community donations!*

Ways that you can help:

ATTENDANCE

The fair offers many daytime and nighttime events for all ages to enjoy!

PARTICIPATION

There are many different livestock and non-livestock shows and events to participate in!

VOLUNTEER YOUR TIME

Many community members offer a wide variety of talents and time to support the various fair events.

MONETARY DONATIONS

Consider leaving something from your estate or an annual contribution.

We are a 501(C)(3) organization. Any donations are tax deductible!

ANYTHING YOU CAN DO IS GREATLY APPRECIATED!

Together we can continue to build something incredible for our wonderful county!

2021 Menard County Livestock Sale Rules & Regulations

Only youth enrolled in the Menard 4-H program that exhibit livestock during the Menard County 4-H Show will be eligible to participate in the sale.

A 4-H member must attend a minimum of **three** local 4-H club meetings/activities to be eligible to sell an animal in the Menard County Livestock Sale. Club meeting attendance will be verified by club minutes taken by the secretary and member sign-in sheets from each club meeting held. College students unable to attend their club meetings due to enrollment at an institution away from home must notify their club leader of their status AND must submit a written request for an exemption to this rule to the Extension Office prior to the 4-H show to be approved by the Livestock Sale Committee.

A 4-H member must participate in a 4-H promotional activity or community service project during the current 4-H year. Projects must be hands-on/action oriented, such as doing physical labor to improve the community, working a booth to promote 4-H at a community event, etc., **and must be approved by 4-H or Farm Bureau staff to count as fulfillment of this requirement.** Following completion of the requirement, verification of the member's participation will need to be provided to Farm Bureau by the 4-H Club Leader or 4-H staff.

A member must be present at the 4-H Show to care for and exhibit his/her livestock to be eligible to participate in the sale. Advanced written permission from the Livestock Sale Committee must be obtained to retain sale rights if the member will be unable to exhibit.

A member is expected to dress appropriately when in the 4-H Show and Sale rings. The member should strive to represent 4-H in a positive and respectful manner. Closed toed shoes should be worn for safety reasons.

Ten percent (10%) of the sale premium (sale premium = sale price - market value of animal) will be withheld from the check of each member who's animal brings at least ten percent above current market price. Expenses of the livestock sale will be deducted from the 10% of sale premiums withheld, and the remainder will be donated to Menard County 4-H to fund items such as: college scholarships; partial fee assistance to local, state and national 4-H events; and expansion of 4-H program offerings.

All sellers should observe proper withdrawal periods on any antibiotics used in treating or feeds of sale animals. Seller will be responsible for any loss incurred.

4-H members may consign a maximum of ONE animal from the following list: one barrow, one market gilt, one steer, one sheep wether, one market ewe, one dairy or boer goat wether, one market pen of poultry, or one market pen of rabbits. Animals sold must be those exhibited in 4-H Show classes. The only exception will be if a member has multiple Grand Champions (Grand Champion Steer Overall, Grand Champion Barrow or Gilt Overall, Champion Market Lamb, Champion Dairy or Boer Goat Wether, Champion Pen of Poultry, and/or Champion Rabbit Meat Pen).

All animals will be reserved/retained by the members. Livestock Sale participants are responsible for taking their own animals home following the sale (shipping of livestock to market will not be provided).

Buyers will pay the amount of the bid less market price stated sale day. Buyers will be billed and asked to pay within 30 days. *Each 4-H'er will be paid only after all of the buyer's money has been collected.

The seller will be responsible for showing their appreciation to their buyers. Livestock buyer plaques and discs will not be provided.

It is the seller's responsibility to express their intent to sell by filling out the entry form in the fair book, and return it to the **Menard County Farm Bureau by Noon on June 15, 2021.** Sale entries can be hand delivered or mailed to the Menard County Farm Bureau office at 101 E. Jefferson Street, Petersburg. If the seller is showing more than one species they are able to change their sale entry only if they have a Supreme/Grand/Reserve Champion in another species. It is the seller's responsibility to let the Menard County Farm Bureau know of their change 24 hours or more prior to the start of the auction by calling 217-632-2217 (answering machine available), or email-

ing menardfb@casscomm.com. **Members who fail to make entries during the designated time will not be allowed to sell.**

Supreme, Grand Champion and Reserve Grand Champion animals in each livestock division will sell before other animals in the same livestock division. The Livestock Sale Committee will determine the remaining sale order.

Barrows, market gilts, steers, market ewes, sheep and goat wethers will be weighed. No wet sheep or beef allowed. Limit one halter when needed.

There will be no minimum/maximum weight requirements. However, 4-H members who exhibit in market classes are expected to have their livestock in market condition when exhibiting.

Animals that enter the sale, which do not bring current market value through the auction, may be considered as eligible for NO SALE.

Poultry will sell first followed by rabbits, goats, sheep, swine and beef.

Barrows and market gilts will sell by the pound, steers will sell by the pound, market lambs will sell by the pound, goat wethers will sell by the head, market pen of poultry will sell by the pen, and market pen of rabbits will sell by the pen.

Out of respect for the buyers, no livestock will be allowed to be loaded or leave until the livestock sale is completed. Exhibitors that leave early will **forfeit their premium from the sale.**

All buyer checks will be made payable to the Menard County Farm Bureau. All receipts and expenses will be handled through the Menard County Farm Bureau Office. Location of the sale clerk will be announced during the sale.

The sale will be under the auspices of the Menard County Farm Bureau and the Menard County Livestock Sale Committee.

Salmonella Pullorum Testing Waiver

The Illinois Poultry Inspection Act, (510 ILCS 85/2.1), states that no hatching eggs or poultry, except poultry for immediate slaughter, shall be bought, sold, transported within or imported into the State unless the hatchery or flock of origin is a participant in the National Poultry Improvement Plan for the eradication of pullorum and fowl typhoid, or is following a program officially approved by the Department. The Administrative Rules (8 Ill. Adm. Code Section 55.70) state that all entries (except waterfowl, i.e., domesticated fowl that normally swim, such as ducks and geese) to a show or exhibition must have come from a U. S. pullorum- typhoid clean or equivalent hatchery or flock; or have a negative pullorum-typhoid test within 90 days prior to exhibition. It should be noted that the United States has not reported Pullorum- Typhoid in the last ten years.

Due to the shortage of antigen necessary to conduct Pullorum-Typhoid testing, the State of Illinois is waiving the pullorum requirements for birds or hatching eggs sold within or imported into the State as well as the testing requirements for exhibition. Once antigen becomes available, this waiver will be rescinded and all flocks participating in the National Poultry Improvement Plan will be required to conduct their annual test. Reciprocity with other states is not guaranteed and producers / exhibitors are responsible for contacting those state officials regarding compliance with entry requirements.
