

Angela Nimifaa Memorial Scholarship - String Students in the MSO

In October 2002, we lost Angela, as she lost her battle with the many physical problems she fought for so long. Before she left us, she made an indelible mark on our ensemble and our entire organization.

She was a teacher, a performer, a composer, a lover of the Renaissance and most importantly, our friend. Her passion for living, to live life to the fullest, in spite of her ailments, was inspirational and an example to everyone with whom she came into contact. To honor her and make sure that her name is always linked with the MSO, we have started a scholarship in her name.

It is still in the early stages of contributions and when funded, it will serve to reward a young player in orchestra, contributing to their study of the instrument and music, a cause that Angela loved so dearly.

2016 Winner: Kevin Pelino, String Bass, N. Mesquite H.S.

2015 Winner: Rachel Kost, String Bass, Rowlett H.S.
