

Ralph Wisenbaker Memorial Scholarship - Non-String students in the MSO

This scholarship fund was begun in memory of Ralph Wisenbaker, a long time supporter of the performing arts in Mesquite. The initial funding was substantially provided by the Mesquite Symphony Guild. Additional donations to this fund are welcomed as it will help it to grow to its full potential much sooner. Your scholarship contributions are tax deductible as the MSOA is a not-for-profit organization. Mr. Wisenbaker, together with his wife Jeann, have greatly enriched our orchestra and arts community with their many contributions. As we enjoy and appreciate the fruits of their efforts we can participate by becoming involved financially and other ways, and support the efforts they have begun. The success of the arts in Mesquite is influenced greatly by the support and involvement of each of you, and in this way we can all work to pave the way for the pleasure and enrichment of our present as well as future generations.
