

SPONSORSHIP INFORMATION

Dear Friends of Live Texas Music:

Texas Wild Music, (TWM), is a group of Texas Music Lovers who have set a goal to bring Texas music back to the fans on a personal level, but in a way like never before! Affordable and FUN!

On February 28, 2020, TWM will host **BOOMTOWN BASH** in Midland, TX. It will be held at the Midland County Horseshoe Pavilion, where so many great events have been successful.

In this inaugural year, Texas Music Wild is offering you a great concert with three amazing bands, William Clark Green, Cody Canada & The Departed and Giovannie & The Hired Guns! TWM wants your business to be one of the first, **ground level** groups, associated with this event. Take a look at the sponsorship package that has many levels of involvement and choose how involved you want to be.
