

MIDLAND COUNTY HORSESHOE ALCOHOL POLICY

The Horseshoe does **NOT** have a Texas Alcoholic Beverage Commission (TABC) license. Because of this, the following venue policies apply.

1. Vendors that provide alcohol service must be on the Horseshoe approved vendors list and are required to always use TABC certified servers and comply with all TABC rules, laws, regulations and policies in addition to these Horseshoe venue alcohol policies.
2. Lessee may not bring their own alcohol onto the Horseshoe complex. Alcohol must be provided by an approved vendor from the Horseshoe's approved vendor list. If your preferred vendor is not on the approved vendor list, please contact the Horseshoe.
3. Lessee and their attendees may not have beverages in vehicles or any place of their own and return to serve themselves. Any alcoholic beverages found on site, not provided by the approved vendor shall be confiscated and disposed of by Horseshoe staff and/or event security. Any guests found breaking these policies shall be requested to leave the premises immediately without warning.
4. The Horseshoe and Horseshoe staff cannot store, touch, or pour alcohol brought onto Horseshoe property. Alcohol must always be kept in the vendors' possession until the conclusion of the event and removed immediately by the vendor. Horseshoe staff, event security and event vendors are prohibited from consuming alcohol during any event.
5. For high attendance ticketed events, attendees will have TABC acceptable identification checked by TABC certified staff to wristband (21+) or "X" (Under 21 or non-drinking) attendees.
6. Per TABC regulations, events with alcohol will require a minimum of two (2) security officers. MCSO may require additional security based on the total number of attendees. This total number of security required and final total cost per officer will be communicated to the lessee upon confirmation of security with Horseshoe staff. Lessee is responsible for paying event security immediately upon their arrival at the event. It is the lessee's responsibility to communicate any changes from the original number of attendees to event security and Horseshoe staff.
7. The lessee is responsible for their attendee's behavior and actions at the event. Event security, Horseshoe staff and TABC certified alcohol vendors reserve the right to refuse alcohol sales to anybody at any time for any reason. Any disruptive behavior during an event could result in dismissing disruptive attendees, closing the lessees' bar, or concluding lessees' event immediately without refund.
8. Lessee's and their guests are not to use glass drinkware during their event. This includes glass beer bottles, wine bottles, wine glasses, mugs, etc. Alcohol vendors may use glass behind the bar but are not permitted to serve lessees or their guests in glass containers. Guests may be served in plastic or aluminum containers and cups, glass is prohibited. Exceptions may be made by the Horseshoe Director on a case-by-case basis.
9. The correct TABC permit must be provided to Horseshoe business office three (3) days before any alcohol can be served at the event. Permitting information can be found at:
<https://www.tabc.texas.gov/services/abc-licenses-permits/temporary-event-authorizations/>
 - a. Please be sure to give your vendor plenty of time to obtain a temporary permit as it can take time. To avoid an expediting fee from TABC, a temporary permit application must be applied for ten (10) or more business days before the event. This is the responsibility of the lessee and their vendor as well as any cost associated with obtaining the temporary permit.

- b. An approval letter and event layout map will be required by TABC which confirms the Horseshoe approves of the vendor selling alcohol on Horseshoe property. The vendor must email James Barela – Horseshoe Booking & Event Manager at jbarela@mcounty.com or Yvette Tyler - Horseshoe Administrative Executive Assistant at ytyler@mcounty.com to obtain this document.
 - c. Lessee is responsible for ensuring their alcohol vendor pulls and provides the correct temporary permit for their event. The cost of the permit is between the lessee and their vendor. The Horseshoe requires proof the permit has been obtained to confirm it is valid and approved.
 - d. Each permit must list the exact location within the Horseshoe complex of where the event will be with the bar.
 - i. For example: Midland County Horseshoe - Main Arena, Livestock Arena, Education Building, Terrace, Meeting Room A, B, C or D, Pavilion Hall A, Pavilion Hall B, Pavilion Hall S or Amphitheater.
 - e. Alcohol may not leave the rented area where it is being served for any reason.
 - f. Vendors may only serve one beverage per person per bar visit. There shall be no “deliveries” to other guests or multiple beverages poured for one party.
 - g. Shots are strictly prohibited at all events.
10. Last call for alcohol sales will be thirty (30) minutes before the conclusion of the event no matter what time it is scheduled to end.
11. Non-alcoholic beverages such as water, coffee, tea, soda, juice, etc. may be provided by lessee and brought on-site for their event at their pleasure. The Horseshoe does not supply these products.
