

MIDLAND COUNTY HORSESHOE EVENT SECURITY/EMS POLICIES, INSTRUCTIONS & INFORMATION

The Horseshoe utilizes Midland County Sheriff's Office (MCSO) for event security and local services for Emergency Medical Services (EMS) needs. EMS may not be required for every event.

The rate for these officers and personnel is \$50/hour/officer and/or personnel with a 3-hour minimum per officer and/or personnel.

Event security and EMS will be on-site for the entire event beginning 30 minutes before the event and staying until 30 minutes after the event at which point the lessee and all guests must exit the complex.

Scheduling of these officers and personnel are done through the Horseshoe Business Office and final amounts will be communicated to the lessee once confirmed.

Lessee is to pay the officers and/or personnel in cash upon arrival on-site. Failure to do so may result in arrest.

An event serving alcohol is required to have a minimum of two (2) officers per TABC law, however, more may be deemed necessary by the Horseshoe Director and/or agency policies.

If the number of attendees does not match the number of officers required by Horseshoe Management, more officers may be added by the Horseshoe Director or his designee during the event at the lessee's expense.

Below is the Horseshoe Security & EMS Policy:

Security & EMS

Security & EMS are provided by the Midland County Sheriff's Office (MCSO) and local EMS departments at a rate of \$50 per hour per officer with a 3-hour minimum per officer. Lessee shall provide for any security and EMS deemed necessary by the Horseshoe Director during all or part of lessees' rental period. Failure or refusal to provide for adequate security & EMS may require the Horseshoe Director to do so at the lessees' expense. The Horseshoe will contact these departments for scheduling of the event and provide the number of security and EMS required as well as total amounts back to the lessee. In some cases, other arrangements may be made as deemed appropriate by the Horseshoe Director. Lessee is to handle payment directly with the officers immediately upon arrival on-site. Failure to pay could result in arrest.

Any event with alcohol being served requires a minimum of two (2) security officers per TABC requirements. Additional officers may be required based on Horseshoe Management's discretion and/or MCSO department and Horseshoe requirements. Officers will arrive 30 minutes before the event and stay 30 minutes after the event at which point all lessees and their guests must exit the complex.
