

DEPARTMENT N MONTANAFAIR ONLINE ENTRY SYSTEM INSTRUCTIONS

Welcome to the MontanaFair Online Entry System. Please print the handbook for future reference. It will help you complete your 4-H & FFA online entries. (Department A – Livestock and Department N – Non-Livestock) For questions about Divisions, Classes or 4-H /FFA rules, contact the 4-H Office at (406)256-2828.

Questions regarding the entry process should be directed to the Extension Office at (406) 256-2828. They are available most days Monday - Friday from 8:00 am until 5:00 pm. If they are unavailable, leave a message and they will call you back as soon as possible. Be sure to leave your name, the exhibitor's name, AND your phone number for a return call.

Step #1 Use the handbook to identify the divisions and classes you wish to enter. **Before you begin, make sure you know the following information: - your 4-H age (age as of October 1, 2022, to enter correct classes such as showmanship), project levels and your animals birth dates, breed, male or female as well as each animal's ear tag #. (It is very helpful to hand write the list of things you intend to enter before entering them into the Online Entry System. Forms are available on the 4-H website. It will help you to make sure you don't miss something and what your intended entries are.)** Click on the "Enter Now" icon. Enter under one name only and enter only once. You will need to set up and confirm a password. The MontanaFair Entry Office and the 4-H Office DO NOT know your password. You should enter both Department A & N in the same entry.

Step #2 SCREEN #1 - Fill out all the required (*) information on the screen. If it is not applicable and not required (*), tab past the space. If you have read the 4-H General rules (located at the front of the handbook) and the MontanaFair General Rules, agree to follow the Code of Ethics and you have parent or guardian permission, change all three buttons to "Yes". SCREEN #2 - Verify the information and confirm.

Step #3 SCREEN #3 - Select the Department (A or N) and Division that you wish to enter. Select the Class. Fill in the information as required. Click on "Add 1 Entry". SCREEN #4 -There are two options. "Add a Different Entry" or "Add a Similar Entry". Click the button that applies if you wish to continue entering. To enter in the same Division, choose "Add a Similar Entry", to enter a different Department or Division select "Add a Different Entry". When you have finished all Department A and/or Department N entries click on continue.

Step #4 REVIEW - Check all the Divisions and Classes you have entered and all information. **(Check this against your handwritten sheets if you did them.)** If anything is incorrect, click on the edit button and make necessary corrections (go back to add additional classes) click on continue. When you have completed and verified ALL Department A (4- H/FFA Livestock) and Department N (4-H/FFA Non-Livestock) entries click check-out. If you DO NOT complete all of your desired entries at once, click on "save cart for later" and you will be able to complete your entries at a later time. Once you check out your entries will be submitted to the MontanaFair Entry Office, and you will not be able to access these entries or your original registration again.

Step #5 Checking out will take you to the fee screen. Put a 1 (one) for the quantity of Department A & Dept. N 4-H/FFA Yellowstone County OR Out of County box. You will only be charged once for both Department A and Department N entries. Scroll to the bottom of the screen and click continue. **This should be \$20 only per exhibitor. DO NOT add on additional fees unless you are showing in the "open departments". (The only time an exhibitor will pay more than \$20 for Dept. A or Dept. N is if the exhibitor chooses to show as a 4-H member AND an FFA member. Example: John Doe shows his hog and enters a gardening exhibit as a 4-H member. He also shows his steer and enters a welding project as an FFA member. He will be charged \$20 as a 4-H exhibitor and \$20 as an FFA exhibitor.) CLUB entries (educational displays, club pen of 3, etc.) must be put on a separate entry form and will also be charged the \$20 fee. ***If you are a 4-H or FFA member, the only charge other than the \$20 exhibitor fee, is if you choose to purchase discount MontanaFair entry tickets (\$6 each) or wristbands (\$50 each). These must be purchased with your fair entry and you will get them in your exhibitor packet to be picked up on Interview Judging Day.*****

Step #6 This will show you the balance due and a "Pay Later" or "Pay Now" option. You may do either but remember that your entry MUST be paid in full to MontanaFair, PRIOR TO ENTRY DEADLINE. Follow the instructions for credit cards. Payments made with a credit card will appear on your credit card statement as a PayPal Charge/MontanaFair. If you use the "pay later" option and wish to make your payment by check it should be payable to MontanaFair and mailed to P.O. Box 2514, Billings, MT 59103, PRIOR TO THE ENTRY DEADLINE (allow mailing time for it to arrive by the entry deadline).

Step #7 After choosing a payment option the amount due or the amount due and paid with your entries will be displayed. At the bottom, there is a MontanaFair liability waiver. In the signature box, you must type in the word YES. Click the SUBMIT button. Your entries have been submitted and payment or balance due has been confirmed.

Step #8 Click on "FINISH". PRINT a copy of your confirmation. You will receive a preliminary confirmation from MontanaFair via email. If there are problems with your entry or questions, you will be notified by the 4-H Extension Office at the end of June or early July. Remember that your entry will not be finalized until all requirements, signatures and payment have been submitted to the MontanaFair Entry Office. **Be sure to print a copy of your receipt as well as your entry.**

DEPARTMENT N (Non-Animal)

4-H EXTENSION AGENT: Roni Baker **PHONE:** 256-2828
SUPERINTENDENTS: Chris Martin **PHONE:** 248-1425
ENTRY FEE: \$20 **LATE FEE:** \$50.00 (See Rule #4)

Exhibiting in Department N of the MontanaFair is an educational event for 4-H exhibitors enrolled in Home Economics, Agriculture, Livestock, and general projects that do not require the exhibition of an animal.

Exhibits are judged in an interview process whereby the exhibitor is judged not just on the end product of the project, but on the learning that took place. Judging is done under the Danish system: that is, instead of placing only one exhibit in First, Second, and Third Class, more than one exhibit may be placed in each. 4-Her's do not compete with one another for ribbons (except in the awarding of Special Premiums-Division 100). Each 4-Her is judged on their individual merit according to ability, age, and years in the project.

PURPOSE AND OBJECTIVES:

1. Learn project skills and knowledge by taking part in an evaluation process with a judge having expertise in that project area.
2. Build self-confidence by participating in a one-on-one interview with a judge, sharing what and how a project is learned.
3. Learn better methods of obtaining desired exhibit quality through a judge's explanation and exchange of ideas.
4. Develop good sportsmanship habits.
5. Develop teamwork by working with and helping others (a) in sharing responsibilities of coordinating MontanaFair and (b) participating in MontanaFair.
6. Share with the public an idea of what 4-H involves through displaying exhibits, club booths and activities.
