DIVISION II - LIVESTOCK RULES & REGULATIONS

RELEASE OF EXHIBITS

Premiums will be forfeited if animals are removed from stall or pen space prior to release date and time. (See respective Departments.)

RULES AND REGULATIONS

Except in the case of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. **Illegal drugs, and/or unethical conduct in fitting and showing livestock will not be tolerated.** All others will be at judge's discretion.

Any animals being removed before their release time will forfeit all premiums.

Exhibitors bringing animals that have been micro-chipped must bring a reader, as well as their papers.

All Livestock Shows conducted according to IAFE Code of Show Ring Ethics can be found on fair web site: www.wncagcenter.org

Exhibitors must wear proper attire while in the show ring: long pants, shirt with collar, shoes with closed toe.

No animals will be allowed on the fairgrounds until their check-in time.

Maximum Youth age, 19, is as of show date unless specified by Department.

Allow up to 10 weeks for premiums to be processed.

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even if this occurs before specified time for closing entries.

Online Entries Only!! Be sure to fill in the online form completely and accurately. Give your rural route number, post office box number, or city street address, zip code, **Social Security Number on the NC State Sub W-9 form**, and telephone number, including area code. Note that exhibitors who choose not to disclose their full Social Security Number or Federal ID on the W-9 form at the time of registration, even if they have submitted an entry in the past, forfeit any and all premiums.

NO PREMIUMS WILL BE RELEASED WITHOUT SOCIAL SECURITY NUMBER OR TAX ID NUMBER. IF THE NUMBER LISTED ON THE ENTRY FORM DOES NOT MATCH THE NAME ON THE ENTRY FORM WHEN GIVEN TO THE IRS, YOU COULD BE SUBJECT TO IRS FINES.

List the class number, as indicated in the premium list, for which each entry is made. Use a separate line for each animal. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. It is not necessary to name the animals that will make up your group or herd until after judging of individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must show official evidence of ownership of animal at least 30 days prior to showing. Animals shown as commercial are exempt from registration requirements. (See exceptions to this rule for group classes only in some departments.)

Each breed of livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the N C Mountain State Fair Premium List.

SHOWMANSHIP AWARD

A showmanship award will be given to youth that are officially entered in a NC Mountain State Fair Youth Livestock Show and have developed proper showmanship skills with their livestock projects. These skills will be evaluated separately from the quality of the animal shown. The show person judge will select the youth solely on their showmanship ability.

Premiums will be paid only as noted in the judges' books.

FEES

Entry fees are required for all entries in the senior and open classes of the livestock division. *Entries exclusively in the youth livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, and remittances for same must accompany the entry application form. Reservations will not be made unless accompanied by the required fee. Remember: The right is reserved to reject entries after all available space is taken. Entries will be accepted in the order received.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

RV (Electricity and/or utilities) \$ 35/ per night
(RV units staying the full 10 days will be given priority over RV units staying less than 10 days.)

ANIMAL HEALTH REGULATIONS

All Animals:

The animal health regulations of the Veterinary Division of the North Carolina Department of Agriculture and Consumer Services will be strictly enforced, and decisions of the regulatory veterinarian concerning animal health status are final. No animals may be unloaded on the fairgrounds before being inspected and approved by the regulatory veterinarian during their designated check-in times.

All animals not meeting the entry requirements, that have an unthrifty nature or are in an unsuitable condition, and/or are exhibiting any signs of disease or illness (including obvious abscesses that are opened or closed, ringworm, sore mouth or any other signs of contagious disease) may be refused entry and will not be allowed in the barn, may be isolated and/or required to be returned to the farm of origin as determined by the regulatory veterinarian. Any questionable health problems will be referred to the regulatory veterinarian, show committee, and/or the State Veterinarian.

During the duration of the Fair, all animals of unthrifty nature, unsuitable condition and/or exhibiting any signs of disease or illness or found not to have met entry requirements after entry may be required to be isolated and/or returned to the farm of origin as determined by the regulatory veterinarian.

The Fair staff works diligently to prevent diseased animals from entering the fairgrounds, though owners should consider that animals may be exposed to infectious agents while at the Fair. It is a best management practice to keep exhibit animals returning from the Fair separate from your animals at home for 2-3 weeks. By isolating exhibited animals for this time, any animals exposed to disease while at the Fair should show signs of infection during this period. Once this period has passed, they can then be commingled with the animals that remained home.

Exhibitors are discouraged from bringing their dogs with them to the fair. If dogs must be brought, they are to remain in areas that are inaccessible to the public and must not be available for contact with the general public. Proof of rabies vaccination needs to be on hand.

Premises Registration is voluntary to exhibit livestock (beef and dairy cattle, horse, breeding swine, sheep, goats, and rabbits) and poultry at the WNC Livestock Expo. Choosing to register your premises puts you on the frontline of controlling and preventing the spread of animal disease. A disease outbreak can't be predicted but it can impact every segment of animal agriculture. Participation ensures that you have the information you need, when you need it most, to protect your animals and your investment. Registering a premise involves obtaining an alpha-numeric "identifier" for the farm, ranch, veterinary clinic or other site where livestock or fowl are handled, housed, managed or processed. If an exhibitor wants more information or wishes to register for a National or State Premises ID, the exhibitor can:

1. For more information contact (919) 707-3250 or visit <http://www.ncfarmid.com>, or
2. Register for a National or State Premises ID by:
 - a. Printing, completing, and submitting the form found at <http://www.ncagr.gov/ncfarmid/registrationform.htm>,or
 - b. By completing the request form for National Premises ID found behind the livestock entry form.

Livestock:

ALL LIVESTOCK ARE REQUIRED TO HAVE AN ENTRANCE HEALTH EXAMINATION AT TIME OF CHECK-IN AS A PREREQUISITE FOR ENTRY ONTO THE FAIRGROUNDS AND WILL NOT BE ALLOWED TO ENTER THE BARN UNTIL INSPECTED AND PASSED BY HEALTH OFFICIALS.

All livestock must have a form of identification (ear tag, tattoo, ear notch, or microchip - readers must be supplied by owner) to enter the fairgrounds.

All sheep and goats must comply with USDA and NCDA&CS Scrapie Eradication Program guidelines. Sheep and goats without a scrapie tag, or a registration paper with corresponding tattoo or microchip information at the time of check-in will not be allowed. Scrapie Flock ID numbers must be presented at the time of check-in before an approval card can be issued. The Scrapie Flock ID number is not the same as the National or State Premises ID number. To obtain a scrapie Flock ID number, please see the Goat and Sheep entry requirements section.

Livestock and Poultry:

Drug and Chemical Compounds Policy for All NCDA&CS Sponsored Fairs, Exhibitions, and Events

The use of any drug and/or chemical compound in any manner that is not approved by the FDA, including but not limited to indications and directions on species, age, dosage amounts and/or withdrawal times, is illegal and prohibited.

The owner, exhibitor, fitter, trainer and/or responsible person must notify the show management prior to admittance into the livestock barns of any animal that is being administered drugs or chemical compounds in accordance with approved FDA guidelines for the sole purpose of protecting the health of the animal. Acceptance of the animal for exhibition will be at the discretion of the livestock superintendent and the show veterinarian and will depend on such factors as the nature of the drug or chemical compound and justification by an accredited veterinarian with a valid client-patient relationship. Regardless, livestock will not be allowed to exhibit if use of any drugs or chemical compounds will affect the animal's performance or appearance at the event.

Owners, exhibitors, fitters, trainers and/or responsible persons will be held accountable for the presence of any violative drug residue from their animal and subject to the disposition as specified below:

1. Findings of proof in intentional use of any drug or chemical compound in a manner described as illegal and prohibited by the Policy on Use of Drugs and Chemical Compounds will result in immediate disqualification, forfeiture of all premiums and prizes, market value of the animal (in the case of market animals), and a life-time ban on exhibiting in NCDA&CS sponsored events.
2. If proof of intentional use of any drug or chemical compound in an illegal and prohibited manner cannot be found on an animal that has been demonstrated by the above detailed laboratory methods to have the presence of such a substance, a first time offense for a positive test will result in immediate disqualification, forfeiture of all premiums and prizes, market value of the animal (in the case of market animals), and a one-year prohibition on exhibiting in NCDA&CS sponsored events by the exhibitor of the positive animal. A second time offense by that exhibitor for any drug or chemical compound in a manner described as illegal and prohibited will result in immediate disqualification, forfeiture of all premiums and prizes, market value of the animal (in the case of market animals), and a life-time ban on exhibiting in NCDA&CS sponsored events by the exhibitor of the positive animal.

Drug testing at the Fair may include, and is not limited to, the following drugs:

Acepromazine, Albuterol, Altrogest, Azaperone, Balbuterol, Boldenone, Bumetanide, Chlorpromazine and all other tranquilizers, Clenbuterol, Dexamethasone, Flumethasone, Flunixin, Furosemide, Isoetharine, Isoflupredone, Flumethasone, Methylprednisolone, Nandrolone, Paylean (labeled for swine only), Phenylbutazone, Optiflex (labeled for feedlot cattle only), and Terbutaline. DAIRY GOAT SHOWS

RULES AND REGULATIONS FOR THE DAIRY GOAT SHOW

1. Competition is open to the world for animals registered or recorded in the American Dairy Goat Association, American Goat Society, or the Canadian Goat Society. Both shows are sanctioned separately by the American Dairy Goat Association for the following breeds: Alpines, LaManchas, Nubians, Oberhaslis, Saanens, Nigerian Dwarf, Toggenburgs and Recorded Grades. All rules that are governed by ADGA shall be followed and enforced.
2. Ages of the animals in the show will be computed from September 6, 2025.
3. All entries must comply with both ADGA and Mountain State Fair rules. Be thoroughly familiar with both.
4. Be sure to use the official entry form and include the goat's tattoo and registration number. List the class number in which the animal will be shown and indicate any group classes an animal is to enter. In order to be shown in a group class, the doe must have competed in her individual class and the dairy herd class must be pre-entered with a herd name.
5. Up to **TWO (2)** substitutions of animals will be allowed per exhibitor.
6. A registration paper or a stamped duplicate (for animals under six months of age) is required for each animal. **Proof of ownership shall be the name on the registration or recordation certificate. No signed transfers will be accepted. Youth name must be listed on the ADGA Signature Card and presented at time of show.**
7. Each exhibitor will be limited to one premium payment in each of the group classes.
8. The Health Regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. Be sure to read these under "Rules and Regulations of the Livestock Division" before entering. Animals cannot be unloaded until checked in. All sheep and goats must comply with USDA Scrapie Eradication Program Guidelines. (State request form can be found behind Livestock Entry Form.)
9. Entry in the Champion Challenge class is open to permanent champions only. Qualification must be by registration/recordation or written certification by the American Dairy Goat Association. Champion Challenge competitors shall NOT be foreclosed from group and progeny classes. Shifts from regular classes to Champion Challenge may be made (with proof of qualification) any time before the beginning of judging of breed.
10. A separate entry form must be used for Junior Doe Show and Senior Doe Show (Junior Show is defined as age of the goat, not the exhibitor).
11. If entering more than one breed, please group all animals together by breeds.
12. **Show order will be as follows: Oberhasli, Recorded Grade, Saanens, Toggenburgs, Alpine, LaManchas, Nubians, and Nigerian Dwarf.** (Show order is subject to change.)
13. Animals must be legibly tattooed prior to show date. Animals which have been re-tattooed must have the changes indicated on the ADGA registration paper.
14. ADGA dress code is required. Exhibitors are to wear white or off-white, if possible, while exhibiting goats. (NO SHORTS)
15. There will be no dogs permitted on show premises.
16. There will be no pre-show milk out.
17. Showmanship class age will be as of show date.
18. **All Youth Dairy Goat Exhibitors must be present if they have goats entered in the Youth Show. The exhibitor must show at least one animal if they have more than one entered in a class.**

19. Youth Dairy Goat Show is open to all exhibitors **under 21 years of age** prior to the day of the show. This is a combination Junior Doe and Senior Doe show.
20. All animals must arrive no later than 7:00 p.m. Friday, September 5.
21. **The NC Mountain State Fair or its representatives reserve the right to limit the number of animals when all available space has been filled.**

GENERAL RULES AND REGULATIONS

1. Birds will be entered in single classes only.
2. Birds will be judged in class listed on entry form. **No class changes during check-in.**
3. Premiums will be paid by check after the fair.
4. All birds will be cared for and fed by the fair.
5. The fair will furnish cages and cups for food and water.
6. The fair management reserves the right to interpret, amend, or add to these rules.
7. All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days prior to deadline.
8. All birds are entered at the risk of the owner, and the NC Mountain State Fair management will not be responsible for any loss or damage but will exercise all possible vigilance in the care of the birds. No one will be allowed to handle birds on display except the owners and officials of the show.
9. The American Standard of Perfection will be the guide of the judges in awarding premiums. The premiums will be paid on standard varieties listed in this show catalog, and then only to worthy specimens.
10. Decision of the judges will be final, and no appeal will be considered except in the cases of protest in writing, with strong evidence of fraud or violation of the rules of the fair. Protest must be filed with the division superintendent no later than noon of the day following the award and must be accompanied by a protest fee of \$5.00 which will be retained by the fair if the protest is not sustained. The division superintendent will appoint a committee to consider the protest, and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The NC Mountain State Fair will follow the rules of the International Association of Fairs and Expositions governing appeals.
11. Judges will not award premiums to any animal because of its mere presence. It must be individually worthy. It is not the policy of the fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.
12. Unless otherwise specified in the department rules and regulations, no exhibitor may win more than two premiums in any one individual class, and not more than one premium in any group class.
13. No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with adjudication, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.
14. The judge will have the right not to award a first-place ribbon/premium if the item does not merit the placing. Awards in any class will be given only if merited.
15. Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the fair and all premiums previously won will be forfeited.
16. The right is reserved and will be used to reject entries received after all available space is taken, even if this occurs before specified time for closing entries.
17. Old English breeds that are not dubbed can be shown but will not be judged except for young birds.
18. Production breeds can be shown but will not be judged.
19. Premiums will be paid only based on the records of the judging report, which will be signed by the judge and by the department superintendent or director. Ribbons will be securely attached to the cages upon which they were awarded, if possible, but the ribbons have no value in payment of premiums since they may become detached and find their way on to the wrong exhibit.
21. Any other or miscellaneous categories at the end of each area are only for items which are not listed in preceding categories. They shall not be used for duplications.
22. Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.
23. Judges will not award premiums or ribbons to any animal that does not qualify for one of the classes in the NC Mountain State Fair premium list. There will be no additional prize money for given places, in the event of a tie. There shall not be more than one ribbon awarded and premium paid for each placement in a class.
24. Premiums will be paid to winning exhibitors after the award reports are compiled and checked. Premiums will be mailed to the exhibitor at the address on his or her entry form. This process takes approximately ten weeks. Errors in premium statements will be corrected until **December 1, 2024**, after which time the books of the fair are closed.

JUDGING

1. Judges will use the latest American Standard of Perfection. Judges may withhold prizes if birds are not of sufficient merit.
2. Any person who interferes with judges will forfeit all premiums. The decision of the judges will be final.
3. After the judging, exhibitors can place any advertising material, by the exhibitor, with his coop.

HEALTH REGULATIONS

1. All bird entries will be presented for examination (including blood test and swabs) to a representative of the NCDA & CS Veterinary Division before being placed in the show.
2. All chicken entries will originate from U.S. pullorum-typhoid clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the fair. The test requirements may be satisfied by a negative test conducted by a representative of the NCDA & CS Veterinarian Division at the time birds are brought to the fair.
3. All birds must be identified with numbered tamper-proof bands. Bands placed on birds tested at the fairgrounds by a representative of the NCDA & CS Veterinarian Division will satisfy the requirement. **The Health Regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. Be sure to read these under "Rules & Regulations of the Livestock Division" before entering. Animals cannot be unloaded until checked in.**
4. No poultry shall have received a live virus vaccine within 45 days prior to entering the fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.
5. Birds will not be accepted which are showing any clinical signs of an infectious or communicable disease or are infected with lice and/or mites.
6. All poultry exhibited at the North Carolina Mountain State Fair shall have been in the possession of the exhibitor for 60 days prior to the deadline. Exhibitors will fill out the entry form completely.
