4.) How do I find who I want to purchase?

5.) Will I be buying by the head or by the pound?

- a. All large animals will be sold by the pound. A minimum bid will have been established for each animal prior to commencement of the sale based upon the floor price established by the packer for each species multiplied by the weight of the animal.
- b. All fur and feather animals will be sold by the head. The auctioneer will establish a minimum bid for the animal and bidding will commence there. Payment for the fur and feather auction can be made at the livestock sale office this year.

6.) Who will be billing me?

a. The NCW Fair will bill all buyers with the same billing system that we have used in the past.

- b. We will mail out all statements as soon as possible after the conclusion of the Fair. When you receive your statement, you will be able to mail in your payment to NCW Fair, P O Box 460, Waterville, WA 98858.

9.) I bought the animal; how do I know I am going to get it?

When you are the successful bidder during the sale, you will be presented with a pre-sale invoice giving you the option to mark TURN, CUSTOM, or HOME PICKUP. Here is what that means to you:

- a. <u>TURN</u> you will not be keeping the animal; instead, you will pay the difference between the "floor" price established by the packer for the species and your final bid. That is known as paying "support only." The packer will pay for the cost of the physical animal and is responsible for removing it from the fairgrounds on Sunday evening.
- b. **<u>CUSTOM</u>** you will be keeping the animal and you need to know where you want the animal sent for butchering. You should have this in mind well ahead of the sale. Further, you are responsible for contacting that butcher shop to inform them of your actions so that they know to expect to physically remove the animal on your behalf on Sunday evening.
- c. <u>HOME PICIKUP</u> you will be keeping the animal and are taking it home with you Sunday evening.
 You also need to make note who, on your behalf, is authorized to physically remove the animal from the fairgrounds on Sunday evening.

10.) I bought the animal "home pickup;" how do I get it?

- a. All animals will be loaded out of the fairgrounds on August 28 commencing at 6:00 pm as detailed in the NCW Fair premium book. Packers and custom meat shops will be allowed to load first as they remove most of the animals. This aids in minimizing confusion for the remainder. No animals are to remain on the fairgrounds that evening.
- b. You should have your vehicle and trailer ready to go and be in line ready to load out. We all appreciate a seamless load-out and want to get home after a long fair weekend. Everyone doing their part, and having a little patience, goes a long way toward that end.

11.) What if I need help?
