

# Fair Exhibit Animal Registration Details – Deadline July 15

Exhibitors are to complete an on-line registration for all animal exhibits. The link to online registration is <https://www.fairentry.com/fair.signin/24027>.

Registration is required for 4-H, FFA, Grange Youth, and Open Class animal exhibits.

- For families or groups – please complete all entries for each exhibitor whom you are registering prior to check out.
- An animal registration fee is required for EACH exhibit registered. The large animal (all goats, sheep, swine, beef, and horses) fee is \$15 for each animal. The small animal (rabbits, caviars, hamsters, poultry, and birds) fee is \$5.00 for EACH animal pen. Be certain to indicate the number of stalls or pens needed for each species. If you enter five small animals and pay a \$5.00 animal fee, they will all be penned together.
- Registration is considered complete only when the exhibitor fee and all animal registration fees are paid and you receive a confirmation email from Fair Entry.
- An Exhibitor Number will be assigned during registration. Make sure your mailing address is correct.
- Due to limited stall space, Douglas County and Chelan County residents will be given first option for pen/stall/cage space. Exhibitors will be notified if space is not available.
- Most exhibits will be sharing pen/stall/cage space due to limited exhibit areas. The Barn Superintendent will assign space by 8:00 a.m. Saturday before the Fair.
