

# Rainwater Kids Memorial Scholarship

Warren and Toni Rainwater established this scholarship in memory of their son, Wynn Hal Rainwater, and daughter, Karla Suzanne Rainwater, who were both killed in separate accidents years ago. The Rainwater family chose the NLBRA because of their affection for and experiences within the organization. Like many generations, the Rainwater family treasures their Little Britches Rodeo experiences; and they wanted to establish a scholarship fund that would help other young adults, who competed in the NLBRA, as they began to pursue their education after high school.

The Rainwater Kids Memorial Scholarship is designed to help the talented youth that participate in the NLBRA and it is one of the ways that Warren and Toni preserve the legacy of their children. The Rainwater Kids Memorial Scholarship is an opportunity for any NLBRA member, regardless of rodeo success, to earn a scholarship. The scholarship is designed to provide funding for NLBRA members who plan to continue their education after high school.

The 2025 Rainwater Kids Memorial Scholarship has been a huge success and the family has decided to continue to award four (4) scholarships valued at \$500 each. As with tradition, and at the request of the Rainwater family, two scholarships will be awarded to two young men and two scholarships to young women.
