Everything is ready for the check in process. Board Members will assist with check in on Saturday and Sunday and volunteers will also be utilized. Many local volunteers have been signed in and committed to help.

The water lines and electricity to the stalls will begin on Wednesday. Most will be hooked up by Friday.

The Royalty Contest Orientation will begin on Saturday night. The luncheon will be on Sunday. Flowers and sashed have been ordered and the conference room reserved for the interviews and modeling portion of the contest.

Stock pens are being set up. Panels are ready for extra pens and temporary stalls are being set up.

Youth Board will hang banners at 10:00 on Monday. Youth Board will be incorporated into grand entries.

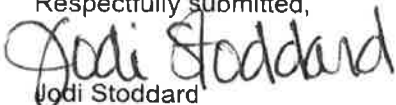

Many of the people who camped last year are planning to be day haulers this year and commute. Day haulers will have designated spot. Day hauler trailers will have a sticker to identify the horses and verify that they have been checked in.

A late entry question was brought up. 5-6 kids have been turned away for late entries or the contestants entries did not come to the office. Galen Shumaker made a motion to allow the 5-6 contestants who have had situations where their entries were not in the office by the deadline, enter the rodeo late. Carmen Denison seconded. 10 no, 3 yes, 1 abstention.

The supplies that are needed for camping to create water and electricity sources were discussed.

Brant Bamberg made a motion to adjourn. Dusty Sagers seconded. Motion approved.

Respectfully submitted,

Jodi Stoddard
Executive Board Secretary
