03/18/2020

Attention all NLBRA Members,

Due to the recent high call volume with the concerns over the Corona Virus the National Office has decided to postpone the release of the camping and stalls that was scheduled for this Thursday March 19, 2020. We have decided to schedule it out for one month and the new release date will be April 16, 2020 at 9:00 MST. With all of the company closures and layoff's currently taking place nationwide our hope is this extension will give everyone a chance to get past the uncertainty and not put additional financial strain on our families during this current situation. We apologize for any inconvenience this will cause to some but think that the decision will benefit most member's as a whole.

We currently have been experiencing a lot of calls regarding our franchise rodeos. At this time the National Office has decided to leave the scheduling of the rodeo's up to the franchise's themselves. As many of you know regulations are different from state to state and in most place's county to county. It would be impossible to regulate that from our office here in Colorado. At this time, it will be at the discretion of the facilities and franchises to determine if the rodeos will take place. Having said that the NLBRA would encourage everyone to follow the CDC guidelines in your area and follow all state and county regulations.

At this time there have been no change in plans for the National Finals being held in July. We will continue to monitor the situation closely over the coming months and will keep everyone updated as we learn more. We would encourage everyone to enjoy the time spent in the practice pens, take the long overdue horse ride with the kids, and simply enjoy your time with families. This too will pass and we will look forward to seeing all of you at the future rodeos. Don't hesitate to contact us if you have any questions at all.

Annie Walter

Executive Director NLBRA
