Full Board Email Vote:

Annie sent out an email that Billy would like opinions on offering to reimburse board for their travel to board meeting this fall. His offer would be that if you are traveling more than two hours we will reimburse your fuel receipt or your economy airfare. Your hotel rooms are already paid for and lunch is provided for the board meeting so it will just be gas or airfare receipt. He just asks that everyone be fair with their expenses so that it doesn't cost the association a lot of money but it will help so that it doesn't cost you for your volunteer services.

Jeremy Sharit responded with a motion to accept Billy's offer to reimburse for economy airfare or fuel expense for our board meeting this September 29th and 30th. Reimbursement is on a voluntary basis. Jimmy second the motion.

Responded with a yes vote: Jodi, Kerbi, Clinton, Chris, Shawn, Brad, Danny, Jeremy Sherman, Jay, Jimmy, Jeremy Sharit, Billy.

Responded with a no vote: Paul and Scott

Did not respond with a vote: Mark, Em, Jason, Kevin

Motion will carry.

Respectfully submitted,

Annie Walter
