NLBRA Executive Call

On the Call: Annie Walter-Executive Director, Galen Shumaker, Paul Bottini, Tim Rice, Kevin Hollingsworth, Mark Massey, Sam Stoddard, Jerald Bierman, Danny Cerezo, Chris Strickland, Brad Nuckles, Jodi Stoddard, Jimmy Lovelady, Sam Smith

Galen called the meeting to order. He asked if everyone had a chance to think about qualifications. Kevin wants to take the top 125 in each event including placing 5 times in the top 7 but would like to add that the contestants compete in at least 10 rodeos. Further discussion was had on this. It was then mentioned that we will need to refund early deposits on this if contestants do not get qualified.

Discussion was then brought up that per the rule book on page 57 it states there can be no limitation of contestants by maximum number. Sam made a motion to omit the rule on page 57 that states this and Kevin second it. Jimmy asked if we can remove it? Sam suggested that it will not affect the outcome of an event and would be considered more of a bylaw rather than a rule change. It was decided that we should discuss this with the attorney. Sam is going to table his motion until further information is provided from Annie once the attorneys have been consulted.

Kevin made a motion to adjourn Sam second and all were in favor.

Respectfully Submitted
