NLBRA Executive Call

On the call: Annie Walter, Kerbi Bowden, Tim Rice, Mark Massey, Paul Bottini, Chris Strickland, Brad Nuckles, Jason Grubb, John Stewart, Sam Stoddard, Danny Cerezo, Kevin Hollingsworth and Jerald Bierman

Jason called the meeting to order.

\$6,200 in requests for scholarships and are eligible. Kevin made a motion to approve the scholarships and Sam seconded. Motion carried.

Tim reported on the hiring committee they narrowed it down to three finalists and performed interviews. The committee made a recommendation to approve the hiring of Cory Ferguson as the marketing coordinator. The committee is going to establish a tracker sheet that needs to be updated after securing the renewals. He will then communicate back to the committee on a quarterly basis and Annie will be in contact with him weekly on the status. He had the most experience, contacts and interviewed the best. Committee suggested his compensation is at 25% of our existing sponsorship base and 25% of any new money that comes in, if he loses any sponsors then that figure would come off the commission. John made a motion to hire Cory and Tim seconded. Motion passed unanimously.

A few more applications have come in for the sound for finals. Brodey Jorgenson submitted a bid. Galen made a motion to accept Brodey bid and Kevin seconded. Motion carried.

Kevin made a motion to adjourn the meeting and John seconded.

Respectfully Submitted
Kerbi Bowden – NLBRA Secretary
