

Short Round Qualifications

Up to twenty (20) contestants will compete in the Short Go based on the following calculations:

- The first ten (10) will be based on the averaged times/ scores accumulated in the first and second go rounds at the NLBRA Finals Rodeo.
- The second ten (10) contestants will be selected based on the highest points earned THAT ARE NOT already in the top ten (10) average contestants.

The points earned are based on the following:

1st round points + 2nd round points at the NLBRA Finals Rodeo + Incoming 5 Best Rodeo Points= the second ten (10).

In the case of a tie at the 20th place, then the tie will go to the fastest combined times or highest combined scores from the first two (2) rounds earned at the NLBRA Finals Rodeo.
