January 15, 2019

Hello All,

As 2018 comes to an end and the new year is upon us things are starting to gear up here in the office. We hope you are all making plans for your local upcoming rodeo's, check out the events tab on the website the rodeos are updating weekly with lots of places to go, we have some new franchises and rodeos coming to Illinois, Central Utah, and Southern Colorado so be sure to check out those details on there as well.

Some important dates to be on the lookout for:

- Those of you who reserved your camping spot last year during the 2018 NLBRA Finals, your balance is due now! You have until February 1st to have your money into the national office or your spot will be released back into the regular inventory that will be released in March. Please remember the deposit was non-refundable so if your final payment is not received this will not be returned. Please remember that when making plans for next year's finals the NLBRA cannot guarantee any early arrivals in the pavement areas or in the permanent stall barns. If you are planning on coming early and this includes for the team roping, please make plans to reserve your spots in the grass areas and in the temporary stall barns. This will be the only way we can guarantee you will be allowed to park when you arrive early.
- Applications for those of you wishing to apply as a stock contractor for the 2019 finals are currently open. This includes all rough stock, timed event cattle, and goats. You may print off an application and send it in to Annie Walter in the National Office. You may send them in via email to awatler@nlbra.com, fax to 719-578-1367, or mail them to 5050 Edison Ave STE 105 Colorado Springs, CO 80915. The deadline to have them in the office is February 15th, 2019. Please give me a call if you have any questions at 719-389-0333.
- Continue to watch the website and for the official release date of the camping and stalling. Although the date is not set in stone yet it will be toward the end of March.
- Top Hand shirts will be sent out this spring as well. Once they are received here in the National Office, we will send the heads up that they are on the way. Please remember that your jean cards will be attached to the shirt tag so please watch for them to not mistakenly dispose of them.

Again, I would like to thank you all for being a part of our organization. Without you, none of this would be possible. Please don't hesitate to reach out to us if you have any questions or need confirmation on any of the upcoming dates. We look forward to hearing from you.

Annie Walter
Executive Director, NLBRA
