Update from the National Office.

Attn all NLBRA members,

As 2020 comes to an end we would like to take the time to thank you all for a very challenging year. This year has brought un foreseen challenges that no one could have ever anticipated. Viruses, storms, and very challenging economic times showed challenges to the rodeo world like never seen before. However, you all supported the NLBRA and made it one of the best years yet, you continue to support your local franchise rodeos and your support has proven once again there are no better families than "Rodeo Families" and for that I would like to thank each and every one of you.

The board continues to meet regularly to discuss ways to improve and make each finals a better experience than it was the year before. They have decided to extend the National Finals out to 13 performances this year. Check in this year will be on Sunday July 4<sup>th</sup> by 3:00 pm with the mandatory contestant meeting being that evening at 6:00 pm. Rodeo will start Monday morning and run two performances per day through Saturday and finish up on Sunday with the short go. The hope is that this will allow our NLBRA Families to enjoy more time together, allow shorter performances so they won't have to start so early in the morning and stay up so late in the evening, and take time to visit the local area and attractions.

We are currently taking applications for our personnel for the 2021 finals to include Judges, Timers, Announcers, and Stock Contractors. If you are interested in any of these positions please go to our website under the news and forms tab to get more information. The applications are due no later than January 11<sup>th</sup> 2021

If you put a deposit down on your camp spot during the 2020 finals the deposits will be due no later than January 29<sup>th</sup>. Remember that deposit is nonrefundable, if you have questions please contact the National Office prior to that date. The regular camping and stalling will open up in March watch for more information to come available on that.

The National Office will be closed from December 24<sup>th</sup> thru the New Year and will reopen the morning of the 4<sup>th</sup>. On behalf of the NLBRA I would like to wish you a very Merry Christmas and a Happy New Year!
