### **NPF: GENERAL SHOW RULES**

1. A Flock Testing Monitoring Report (testing dated within 30 days of the show) or proof of NPIP is required. Alabama Department of Agriculture & Industries state testing for Pullorum-Typhoid and Avian Influenza and will be done at no charge by poultry inspectors at coop-in on November 9, 2022. Chick Chain birds will only require testing for Avian Influenza. This report (or exhibitor provided NPIP documentation) will be provided by poultry inspectors to show organizers as the birds are checked in, and will be kept with show registration.
2. All entries are subject to a health check. Any bird appearing sick (i.e. cough, runny mucus from nostrils, etc.) or infested with parasites, dirty plumage, overgrown spurs, fowl pox, etc., will not be allowed to participate in the show and must be removed from the fairgrounds.
3. **Exhibitors must bring their own feed and will arrange for their birds to be cared for on a DAILY basis during the term of the exhibit.** This includes feeding, watering and cleaning cages. This supports health and safety for the birds by limiting exhibitors from accessing others' cages. Exhibitors must also provide feeders and waterers – those secured to cages instead of free-standing are best because they are not easily spilled.
4. Cages. Keep in mind that there is no heat or air conditioning in the poultry exhibit area. Cages are generally placed on table tops. NPF 4-H/FFA/Open Show exhibitors are encouraged to bring their own cages, which provides an opportunity to showcase birds in home-made or designed cages. **If your cage is a designer cage, or freestanding, or in excess of 36" L x 30" W x 30" H, or weighs more than 15 pounds, or needs electricity provided, please contact Sheila Andreasen to pre-approve your cage.** Cages not pre-approved may not be allowed. Some show-owned cages may be provided upon request; however, there are only a limited number of cages and are provided first come first served. Chick Chain participants will be provided cages for Chick Chain Show birds.

5. Your bird area must be clean (inside/underneath/around) at all times, including coop out time. **If individual areas are not reasonably clean, premiums may be forfeited.** Please plan accordingly.
6. **The deadline for registration is October 10, 2022.**

**4-H CHICK CHAIN SHOW & AUCTION**

The 4-H Chick Chain Show & Auction is for active 4-H participants only, who are registered in the Chick Chain project. Participating 4-H'ers received 10 female chicks (pullets) on June 17, 2022. By October 10, 2022, those youth entering the Chick Chain Show & Auction, will need to register two pullets of the same breed in order to enter the event at the National Peanut Festival (see page 2 about registration and fees). Breeds accepted via registration will be from the Chick Chain pullet project which includes the following breeds: Buff Orpington, Dominique, Easter Egger, and Rhode Island Red.

**How to Register for the Chick Chain Show & Auction**

1. Contact your county's 4-H Agent to let them know you are registering for the Chick Chain Show & Auction.
2. Complete the **NPF Poultry Show Registration Form**. (Note: for your two Chick Chain birds, you **do not** send a \$5 per bird registration payment to NPF). Make sure you indicate that Bird #1 and Bird #2 are "Chick Chain" birds, and then record the breed you are entering. For instance, if you are entering Rhode Island Reds, then you will write:

Example	Class	Breed	Variety	Gender	Age of Bird	Showmanship?
Bird #1	Chick Chain	Rhode Island Red		Female	5 months	Yes
Bird #2	Chick Chain	Rhode Island Red		Female	5 months	Yes

3. To purchase Ag Gate Decals and Gate Passes, you need to complete the **NPF Ag Fees Payment Form**. The decal and pass will get you in the Ag Gate so you can park close to the barn. **You will need to mail or hand-deliver this form with payment to the NPF office, so they receive no later than October 10, 2022.**

**The Chick Chain Show & Auction**

The 4-H Chick Chain Show birds will be judged separately from NPF 4-H/FFA Poultry Show birds. The 4-H Chick Chain Show will be Friday, November 11, 2022 at 6pm. The awards program will follow the show, and the auction follows the awards program. Please note that while the 4-H Chick Chain Show is Friday, November 11, 2022, the NPF 4-H/FFA Poultry Show will be Thursday, November 10, 2022. 4-H Chick Chain participants may participate in both shows, but the same individual birds used for Chick Chain cannot be used in the NPF show. When you check-in, you will be directed to take your 4-H Chick Chain Show birds to a special area, because they will not be mixed in with the NPF Show birds. Immediately following the conclusion of the Chick Chain Show & Auction, the Chick Chain Show birds should be removed from the fairgrounds (i.e., checked-out by auction winners). All other birds (those in the 4-H/FFA/Open Show), must remain until Sunday. Contact a committee member if you have any questions.
