General Livestock Rules

Introduction

1. Governing Rules and Regulations:

The rules of the New Mexico State Fair govern all competitions in the Junior Division. General Exhibitor Information is considered a part of New Mexico State Fair Junior Division General Rules and Regulations. All rules listed in a specific division apply where entry is made into that division. All exhibitors must read and abide by these rules. Exhibitors not abiding by these rules are subject to the penalties stated in these rules.

2. Interpretation and/or Administration of Rules and Regulations:

The New Mexico State Fair reserves to itself the final and absolute right to interpret these rules and regulations and to fairly and impartially settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the fair, and the right to amend or add to these rules and regulations as its judgment may determine. An exhibitor who violates any of the rules or regulations may forfeit all privileges and premiums and be subject to such penalties as the Fair may order and other such penalties as prescribed by law.

3. Loss, Damage or Injury:

The New Mexico State Fair and the State of New Mexico will not be responsible for loss, damage or injury to exhibits or animals exhibited, or for any article of any kind that may be lost or destroyed, or in any way damaged. Each exhibitor will be responsible for any injury that may be occasioned by any person whomsoever, by an animal owned or exhibited by him or her.

Exhibitor shall indemnify the New Mexico State Fair or the State of New Mexico against all claims, demands, suits or judgments of any kind or nature, including attorney's fees and costs that may grow out of an injury, damage or loss occasioned by any animal owned or exhibited by him or her, or arise from any person in charge of any such animal. All animals exhibited in this show will be exhibited entirely at the owner's risk.

The New Mexico State Fair or the State of New Mexico will not be responsible or liable for any injury sustained in any way to exhibitors or spectators.

4. Requirements Regarding Disease:

All animals presented for exhibition at the New Mexico State Fair shall be free from contagious and infectious diseases and shall be subject to examination on arrival at the fairgrounds and to daily inspection during the fair. Should any animal be found to be infected with any contagious, infectious or communicable diseases, it shall immediately be removed to a place of quarantine. The show pens or stalls in which such diseased animals were kept must immediately be cleaned and disinfected under the supervision of the official veterinarian.

5. IAFE National Code of Show Ring Ethics:

The International Association of Fairs and Expositions National Code of Show Ring Ethics are incorporated herein and made a part hereof. New Mexico State Fair rules shall supersede.

The Junior Dairy Department is exempt from this rule as exhibitors do not have to be in either 4-H or FFA.

2. Age:

Only New Mexico boys and girls who have not reached their 20th birthday as of the close of fair are eligible, and they must be members of the youth organization as certified by an official of the organization they represent. 4-H members must follow the age requirements set forth by the 4-H organization.

1. Entry Eligibility:

All entries must be certified as to eligibility by County Agent or FFA Advisor. No individual entries or entries without certification will be accepted. The sponsoring Agent or Advisor will be

held accountable and may be requested to appear before the New Mexico State Fair Commission and/or designated committee to inform the New Mexico State Fair as to the sponsoring Agents' or Advisors' efforts to educate its members.

2. Ownership:

Animals must be owned by the exhibitor submitting the entry. All documents (bills of sale, lease agreements, and certificates of registration) establishing ownership shall be in the name of the exhibitor. No market animals may be owned or exhibited in a partnership, or jointly owned; however, animals may be transferred between immediate family members (i.e., brothers and sisters) at the time of classification. Animals may not be transferred from 4-H Club to FFA or vice versa after the ownership deadline. Animals must be owned by the deadlines listed in the rules of its appropriate division and proof of ownership must be made available if requested by NMSF officials. Exhibitors in violation of ownership requirements will be subject to the penalties outlined in these rules. **Any animal that has been sold through a premium sale (fair/expo sale) in any state or county or any representation of said animal through such a sale may not be exhibited at the New Mexico State Fair.**

3. Care and Custody:

All animals must remain in the continuous possession of the exhibitor and be personally cared for by the exhibitor during the feeding period.

4. Registration:

Animals in breeding classes must be registered in the name of the exhibitor. Registration numbers and also the names and numbers of sire and dams must be listed on the entry for breeding stock requiring registration. Entries sent in without proper information will be returned. Certificates of registration must be available to be checked by superintendent of department.

5. Market Animals and Replacement Dairy Heifers:

Market animals and replacement dairy heifers must be tagged with a NMSF tag by June 15th of the current year. Entries are due August 1st of the current year.

6. Late Entry Fee:

Late Entries will be accepted until August 10 of the current year with a late fee of \$250.00 per animal.

7. NMSF Ear Tags (required):

Removal of or tampering with a NMSF ear tag will result in dismissal from the show. Should an animal lose their ear tag, you must notify your 4-H Agent or FFA Advisor immediately to obtain a new tag. The Agent/Advisor must then notify the NMSF via email of the new tag number immediately. Animals that arrive at the NMSF without a NMSF ear tag will not be able to show. Dairy Heifers will be the exception. Breeder tags will be taped over or removed.

Show Rules

1. Exhibitor Showing Requirements:

Exhibitors will be required to show their own animals. A substitute exhibitor may be allowed to present an animal for classification or in the show ring during official judging at the sole discretion of the Department Superintendent; 1) if the exhibitor has documented health reasons after arrival at the fair, or 2) if an exhibitor has more than one entry in the Youth Livestock Show showing at the same time. Any substitute exhibitor must be a bona fide member of 4-H or FFA. In no case may a parent, agent or advisor present any animal for judging.

2. Exhibitor Responsibilities (Animal Care & Delivery):

Each exhibitor is responsible for the care, showing and selling of his or her own animals until the superintendent has issued a release. It is the responsibility of the owner to see that sale animals are delivered to buyer or correct packer. If livestock is not properly cared for, labor, feed requirements and other necessary items will be supplied, with all costs thereof charged against such exhibitor. Any sale money won by such exhibitor will be withheld under such circumstances to apply toward any expenses incurred. Exhibitor's failure to provide proper care to his or her animals will be subject to the penalties outlined in these rules.

3. Animal Inspections:

As a condition for participation in the show, every exhibitor must agree to submit any animal entered by exhibitor to inspection by a veterinarian appointed by the management, FDA, USDA/FSIS, New Mexico Department of Agriculture, and/or New Mexico Department of Health and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian or fair official.

The State Fair specifically reserves the right to have hair, tissue, blood or urine laboratory analysis made on any animal entered for competition. The conclusions reached by the veterinarian, as to whether such animal has been administered or given a substance or drug in violation of the rules or has not been properly withdrawn from approved drugs shall be final, without recourse against the State Fair or any of its officers.

In addition, during the fair, every exhibitor agrees to allow NMSF officials to collect hair follicles. These hair follicles may be used to perform analyses to verify identification of an entry in the show using the DNA sample collected at the time of enrollment. Any and all samples collected are the property of the NMSF and may be compared with samples collected by other fairs in order to confirm entry identification.

4. Winners Eligibility to Show:

Winners of first and second place in each class will be eligible to show for the Champion and Reserve Champion of the breed they represent.

5. Rules Governing Auction:

An Auction of Junior Livestock will be held; see the Special Rules in Division 38 found in the Livestock Sale PDF on this web site.

6. In Case of Animal Death:

If an exhibitor's animal dies while at the New Mexico State Fair, the exhibitor is responsible for either disposing of the carcass properly or for paying the disposal fee. Please notify a department superintendent or the livestock office immediately. The animal should be moved to a remote location or covered until it can be removed. UNDER NO CIRCUMSTANCES should an animal be placed in a trash can or dumpster.

7. Barn:

All exhibitors staying past the day of their respective show, may be asked to move to a designated layover area as directed by the superintendent within four (4) hours of completion of each species show in order to cooperate with incoming exhibitors.

8. Penning:

Exhibitors will only be given space for the number of animals that are brought to the fairgrounds, not the number entered.

Conduct

1. Conduct:

Any act of discourtesy or disobedience to the officials on the part of the exhibitor, parents or sponsors will disqualify exhibitor from the contest, and the owner shall forfeit his entrance and other fees. Any exhibitor, parent or sponsor who shall attempt to interfere with judges in the performance of their duties, or who shall make any false statement in regard to any animal exhibited or shall interfere with clerk's and judge's books shall be excluded from the competition and may be subject to other disciplinary actions.

2. Delinquent Acts:

If an exhibitor is caught having any involvement in any delinquent act, they may be removed from the grounds forfeiting any further competition, awards, premiums, sale slots and/or proceeds. Fees will not be reimbursed and the exhibitor may be barred from future competition at the New Mexico State Fair. Delinquent acts include but are not limited to vandalism, use of alcohol or drugs, and aggressive or violent behavior.

Registration

No animal can be entered or exhibited unless that animal has been recorded in the recognized Book of Records for its respective breed. For an exhibitor to be able to show an animal, the exhibitor's title of ownership must be shown on the registration certificate at the time of the exhibition. These registration certificates will be checked by the superintendent on arrival and must be available for review at any time during the Fair.

Judging

1. The single judge system is the policy of the New Mexico State Fair. In every case the judge will be selected with utmost care, and as much as possible, will be of national reputation. The management, however, reserves the right to substitute the three- judge system should circumstances arise where it would prove of mutual benefit to the exhibitors and the State Fair.
2. Should any doubt arise as to the regularity of any entry, or any other important matter that the judge feels unable to decide, he shall report the same to management through the Superintendent in charge of the department.
3. The management reserves the right to cancel any class where there are less than four entries and combine classes should the best interest of the show require it. In the Open Beef division, any breed show with less than 10 head entered may be cancelled.
4. The management reserves the right to award only one premium in classes where only one exhibitor makes entry. The judge may, at his discretion, withhold any or all premiums where the animal or article is not worthy of an award.
5. Premiums at the New Mexico State Fair will be awarded as listed in the premium schedule.
6. The decision of the judges shall be final and no appeal will be considered except in case of protest.
7. Any exhibitor attempting to interfere with the judges during their adjudication, or who publicly expresses disapproval of the decision of the judges, or who by act of influence shall be guilty of conduct unbecoming an exhibitor, shall forfeit the premium and be excluded from further competition.
8. Exhibitors are urged to have neatly attired attendants in charge of animals in the show ring.
9. No premiums, ribbons or decorations previously won by any animal shall be exhibited prior to the judging.
10. Exhibitors may enter as many in a class as they wish. This rule shall have no bearing or

consideration in the placing of entries by the judges. Ribbons will be presented in the order of placing by judges. The fair shall, however, pay third place money to fourth place winner, etc., when the third-place winner is prohibited from receiving the third-place cash award under the provision of this rule.

Protests

1. All protests will be adjudicated by the State Fair Commission and must be made in writing to the general manager, accompanied by an affidavit setting forth grounds for protest and a deposit of \$250, which will be forfeited if the protest is not sustained.
2. Protests against the exhibition of any entry must be filed, considered, and determined before a section is judged.
3. Protests against an award must be filed within 1 hour after conclusion of show on the day award was made, and will be considered and determined at the first meeting of the fair commissioners, following the fair.
4. In addition to the right of protest guaranteed above to interested parties, the fair commission reserves the right to take cognizance of any fraud, consummated or attempted, and to deal with all persons implicated therein, in such manner within the limits of the power of the commissioners as may, from the evidence relating thereto, be deemed just and proper.
5. Interested parties will be duly notified of the time and place for considering protests and given the opportunity to submit evidence.

Liability

Show Rules

The conclusions reached by the veterinarian, as to whether such animal has been administered or given a substance or drug in violation of the rules or has not been properly withdrawn from approved drugs shall be final, without recourse against the State Fair or any of its officers.

In addition, during the fair, every exhibitor agrees to allow NMSF officials to collect hair follicles. 8. Classification:

Market beef will be classified on Monday, September 13th at 9:00am by breed in order of breed in the rules. Market beef entering classification as a cross or market heifer will remain as such, and not be reclassified. Declaration cards obtained from the superintendents must be filled out by all Junior Market beef exhibitors and turned in at classification with a weight declared by exhibitor. This will become the official weight for that animal. At the time of classification only the exhibitor, the classifier, state fair personnel, and NMLB personnel (brand inspectors) will be allowed in the ring. No one else is allowed unless previous permission is given. The ring is off limits to spectators, breeders and parents. Classification is based on visible characteristics of the steer. The judgment of the breed classifier(s) is final and not subject to protest.

9. Weight:

Minimum weight is 1,000 lbs. with no maximum show weight. Classes will be determined by breeds and declared weights. On show day Market beef will be weighed at a holding area prior to entering the show ring. Market beef must weigh within 5% above or below the declared weight or will be disqualified from the show. NO FEEDING OR WATERING will be allowed in the holding area.

11. Fitting Regulations are as follows:

Market Beef may only be washed, blown and combed prior to judging and classification. Absolutely NO artificial coloring, glues or adhesives will be allowed, no exceptions, while on the NMSF, Expo NM premises. Market Beef may be subject to a white towel/glove test at any time. Market Beef are allowed to be drenched, no stomach pumps.

Official NMSF ear tags are only tags permitted, absolutely no breeder names will be visible while entering the show ring.

The minimum number of Market beef required to establish a class will be determined by multiplying 1/30 times the total number of Market beef in the show and rounding off to the nearest whole number. All 30 (+ or -) sale positions will be determined by the percentage method. There will be no exceptions. This means that in some cases involving small classes, a Reserve Breed Champion will not be eligible to sell in the Jr. Livestock Sale. In those breed classes where an odd number of sale positions result, the Breed Champion will pull the next highest placing market beef in the class up to fill the odd sale slot. Grand Champion and Reserve Grand Champion are required to sell - Breed Champions are not.

12. United States Department of Agriculture Wholesome Meat Act

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the New Mexico State Fair as follows:

- a. Animals must be in good health and carcasses free of drug or chemical residues.
- b. Antibiotics and sulfonamides have required withdrawal periods.
- c. Drug label directions for use and withdrawal periods must be followed.
- d. If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

A licensed veterinarian should be consulted, and drug label directions read, before administering any antibiotics or sulfonamides.

13. YQCA Certification

Any exhibitor entering a Junior Market Show at the New Mexico State Fair is required to take the YQCA test and receive their YQCA Certificate of Completion.

The YQCA otherwise known as the YOUTH FOR QUALITY CARE OF ANIMALS is multi species assurance program. Visit: <http://yqca.org/> to obtain your certification if you have not already done so.

This will replace Market Certification Forms.

1. New Mexico Brand Requirements: SHEEP AND GOATS

- Proof of ownership (NMLB "form 1" inspection certificate) must accompany the animal when traveling, whether in or out of district; this is the assurance that all requirements are met.
- A NMLB APPROVED fair ear tag provided by the NMLB, a N.M. registered tattoo and a Form 1 inspection issued by the NMLB.
- Sexually intact sheep and goats must have an official USDA Scrapie tag applied to the ear and/or breed registration tattoo.
- This rule applies to all species and breeds entered in junior shows.

2. Any animal shown in this department must continuously have been owned and personally cared for by the exhibitor since June 15 of the current year. Market Lambs must be tagged with NMLB ear tag, (no breeder names will be visible) and send in DNA and entry fees by June 15 of the current year to be eligible for entry. Breeder names will not be allowed to be seen, the breeder tags must be taped over or removed.

3. Any animal that has been sold through a premium sale (fair/expo sale) in any state or county may

not be exhibited at the New Mexico State Fair.

4. Only wethers and ewe lambs may be exhibited in Market Lamb Classes. Zia Market lambs may be purebred or grade. Only lambs (animals under one year of age) are eligible to show in the junior market classes.
5. At classification, market lambs head and legs must be washed, show milk teeth and must be slick shorn with a uniform fleece no longer than 1/4" upon arrival at show ring.
6. The entry deadline is midnight August 1 of the current year. Entries will only be accepted on-line through the New Mexico State Fair website. The entry fee is \$15 per lamb. The entry fee for the Showmanship Class is \$5. There is no limit on the number of lambs each exhibitor may enter. **Late Entry Fee:** Late Entries will be accepted until August 10 of the current year with a late fee of \$250 per animal. **ALL ENTRIES WILL BE ENTERED & PAID ONLINE**
7. Health Requirements & Inspection Procedure: All Junior Market Lambs will be checked by the New Mexico State Fair Vet at classification.
 - All lambs will be individually inspected at classification.
 - The fair and show management will provide trained personnel with capability of sampling skin lesions and conducting a microscopic examination to determine the presence of ringworm at classification.
 - Sheep with active ringworm lesions will be denied entrance to the show.
 - Lambs must also be free of scabies, sore mouth and foot rot and other contagious diseases or will not be allowed to show.
 - No active lesions of trichophyton (Club Lamb Fungus).

Attention Sheep and Goat Exhibitors-Federal Sheep and Goat ID Requirements for Scrapie:

Sheep and goats that are sexually intact and used for breeding, show and/or exhibition are required to have official individual animal and premises identification prior to sale or movement. For further information, contact Dr. Paul Sciglibaglio, USDA, Albuquerque Office, (505) 761-3160.

8. Exhibitor will declare own lamb's show weight. Classification will be conducted at 6:00 pm on Sunday, September 12th of 2021. Market Lambs will be classified, provide the declaration of weight, brand inspected and inspected by the veterinarian. Weight declaration forms with breed designation will be given to exhibitors as this time. At judging the judge will pick the top lambs. These lambs will be re- weighed. Weights must correspond to declared weight within 5 pounds to the top side (example: declared weight 100 pounds - lamb cannot weigh over 105 pounds, but can weigh any amount under 105 pounds). The lambs will then be placed. Any lamb not meeting the weight tolerance will be disqualified. NOTE: present weight breaks are listed under breeds' classes.
9. Absolutely NO dressing (such as oil, paint, dye, powder, etc.) other than water may be used on lambs. Any lamb with dressing other than water will immediately be removed from the ring and will not be allowed to compete.

Violators of this rule can be disqualified from the show by the judge and/or the superintendent.

10. Box fans will be allowed in sheep barn only with the approval of the superintendent. All electrical cords must be underwriters approved. Metal fans cannot be attached to pens.
11. Pen bedding is allowed in the form of shavings or straw. No grass.
12. Sale lambs: decoration of market lambs is prohibited; lambs must be presented for sale in their natural state (i.e. No glitter, oil, paint, balloons, etc. allowed).

All 30 (+ or -) sale positions will be determined by the percentage method. The maximum number of items to be sold are 30% of the number of lamb exhibitors. There will be no exceptions. This means that in some cases involving small classes, a Reserve Breed Champion will not be eligible to sell in the Jr. Livestock Sale. In those breed classes where an odd number of sale positions result, the Breed Champion will pull the next highest placing lamb in his class up to fill the odd sale slot. Grand Champion and Reserve Grand Champion are required to sell - Breed Champions are not. See Junior Livestock Sale Rule, Division 38 and Individual Breeds/Divisions for number of animals to sell per class.

13. United States Department of Agriculture Wholesome Meat Act:

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the New Mexico State Fair as follows:

- a. Animals must be in good health and carcasses free of drug or chemical residues.
- b. Antibiotics and sulfonamides have required withdrawal periods.
- c. Drug label directions for use and withdrawal periods must be followed.
- d. If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

A licensed veterinarian should be consulted, and drug label directions read, before administering any antibiotics or sulfonamides.

Classification:

Market hogs will be classified Monday September 13th, 2021 at 8:00 am during the hog show. Exhibitors will need to provide their declaration card to the superintendent no later than 5:00 pm on Saturday, September 12, 2020. Late declaration cards will not be accepted. The decision of the classifier shall not be subject to protest or appeal.

Show Weight:

Exhibitors will declare their own show weight rather than traditional weigh-in process. Weight will be declared by the exhibitor at time of turning in your declaration card to the Jr. Swine superintendent no later than 5:00 pm Saturday, September 11, 2021. At judging, the judge will identify the top hogs. These hogs will then be weighed. Weights must correspond to the declared weight within 10 pounds plus or minus. Any not meeting the weight tolerances will be disqualified. Watering of pigs after pig is officially weighed and before the class is judged is prohibited and will be subject to disciplinary action. The hogs will then be placed. Declared weights for hogs must be in a range from 210 pounds to 280 pounds. Entries will be divided into equal sized classes based on declared weights. Any discrepancy will be resolved at superintendent's discretion.

Market Hog Fitting:

No dressing (such as oil, paint, powder, etc.) other than water may be used on hogs. Any hog with dressing other than water will immediately be removed from the ring. Classifier will check for dressing, if found the animal and exhibitor will be disqualified. The classifier has the final say.

Shavings will not be furnished by the New Mexico State Fair, but may be purchased at the feed store located on the fairgrounds.

Water:

There are no automatic waterer's in the barns.

Sale:

See Junior Livestock Sale Rules, Division 38.

- a. Sale Hogs: decoration of market hogs is prohibited; hogs must be presented for sale in their natural state (i.e. No glitter, oil, paint, balloons, etc. allowed).
- b. All 30 (+ or -) sale positions will be determined by the percentage method. The maximum number of items to be sold are 30% of the number of hog exhibitors. There will be no exceptions. This means that in some cases involving small classes, a Reserve Breed Champion will not be eligible to sell in the Jr. Livestock Sale. In those breed classes where an odd number of sale positions result, the Breed Champion will pull the next highest placing hog in his class up to fill the odd sale slot. Grand Champion and Reserve Grand Champion are required to sell - Breed Champions are not.

The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the New Mexico State Fair as follows:

From 9:00 am to 1:00 pm

Special Rules

**** Please see Junior Livestock Division General Rules.**

****Read these rules carefully - they apply to all entries for the NMSF 4-H indoor exhibits!**

1. The New Mexico State Fair and 4-H Department shall not be held responsible for damage, loss, or theft of exhibits. All items are entered at your own risk. While we do our best to handle each item carefully and respectfully, there is always some risk of damage.

2. County Extension Agents or their designated representative are responsible for county exhibits. Individual entries will not be taken without explicit permission from the County Extension Office. Each County is responsible for their own entries. There will be no early drop-off of entries. Entries received with incorrect numbers will be returned to that County for renumbering.
3. Each county may bring only the first-place exhibits from county fairs or achievement days in each class. Therefore, each county may enter only one exhibit per class, per section (novice, junior, senior).
4. Items must be entered in the appropriate age category: all ages are as of January 1st of the current 4-H year.
 - a. Novice - 8 years old and in the 3rd grade or 9 - 11 years old
 - b. Junior - 11 years old and in the 6th grade or 12 - 13 years old
 - c. Senior - 13 years old and in the 8th grade or 14 - 18 years old

* Cloverbuds - according to NM 4-H Policy, Cloverbuds are not eligible for competition and therefore cannot be qualified at the county level. No Cloverbud entries are taken at the State Fair.
5. 4-H'ers must be enrolled in the appropriate project to compete in that class.
6. Judging will be based on the standards listed including any size guidelines in the 4-H project book. Judges determine the merit of each exhibit. If multiple qualified items are in a class, they will be placed 1st-3rd, however, a judge may determine that no item meets the standard for 1st and choose not to award one. No more than one of each placing may be awarded in each class. If an item is the only entry in a class, judges will judge the item against the standard and may choose to award a 1st, 2nd or 3rd place or no placing at all.
7. Tape or sew a label giving the exhibitor's name, county, and year of project on each article. This is in addition to the fair exhibitor label which must be placed on the front of the item and attached securely.
8. All exhibits must be the work of the exhibitor and completed during the current 4-H year.
9. At the close of the fair, exhibit must be claimed by County Extension agent or an official representative of the exhibitor.
10. If necessary, exhibits may be sent by prepaid express or parcel post addressed to:

Superintendent 4-H Department
New Mexico State Fair
300 San Pedro Blvd NE
Albuquerque, New Mexico, 87108
Phone (505) 265-1791

No later than 10 days prior to the entry date. Mailed or shipped entries will be returned in the same manner and in the same container received, provided funds to cover the transportation cost are included with the entry.

11. All items are displayed to the best of our ability. Cases will not be opened to move items, the exception being if items are upside down or mislabeled.
12. All entries must have an entry tag attached. Tags are color coded by age level: pink for Novice, yellow for Junior and green for Senior. Tags should contain the class number, project item description, member's name and county. Tags must be securely attached to the front of the item to allow for judging and display.
13. All Self-Determined entries must be accompanied by a completed Self-Determined Project Record Form 100.SD-1 (R-03). Self-Determined items that do not have a sheet will be disqualified - be sure the sheet is securely attached.
14. Exhibit sizing guidelines:
 - a. **Posters:** Posters may be no larger than 14 x 22 inches (this is half of a standard sheet of poster board). Posters are defined as any flat paper, foam board, cardboard, or other backing appropriate for hanging on the wall for display. Flat items placed on stands or with stands attached will be considered posters and the stands will not be utilized for display.
 - b. **Display Boards:** Display boards may be no larger than 18 x 48 inches (this is a small size display board or half of a standard display board). Display boards are defined as scored, freestanding science boards that may be purchased at any school supply store. These are boards made freestanding by the sides being folded in slightly.
 - c. **Other Exhibit Boards:** Exhibit bases for three dimensional vertical displays may be no larger than 24x24 inches. A vertical display is defined as an exhibit with a solid base where the exhibit itself rises up. This would apply to small engines, self-determined, or any other appropriate 3-D Display.
 - d. **Project Specific Boards:** Some project boards are given specific measurements within the project. For example, leather craft and braiding have guidelines in the project book. If an exhibit is defined by the project book that is the rule members must follow.
 - e. **Oversized Exhibits:** Because of security and space limitations, extremely large/heavy project exhibits may not be accepted for display in the 4-H Department; call (505) 646-1166 for prior approval on large woods, welding or other large project displays. This only applies to actual items - posters, display boards, and vertical displays may not be over-sized. We cannot guarantee that oversized items will be placed behind glass.
 - f. **Photography Exhibits:** See specific sizing guidelines under the photography section. Photos may be mounted or matted with material strong enough to withstand transport and

display (cardboard, mat board, poster board, etc.). We are not responsible for lost or damaged photos - please keep a copy of all prints submitted.
