General Information

The New Mexico State Fair Parade, long established as the biggest parade in the state, marshaled and assisted by the Bernalillo County Sheriff's Posse, is open to participation by anyone.

This year's parade will leave the SE corner of Expo New Mexico (Louisiana/Central) at 8:30 am on the morning of Saturday, September 11, 2021. Units will travel west on Central Avenue, disbanding about 2.0 miles west of the starting point at Girard and Central.

Anyone is welcome to enter. Attempts will be made to limit the entries to approximately 200 participants. All participants need to clear parking area by 9:30 am. The last units in the parade may not leave the formation location until after 10:00 am.

There is a \$25.00 registration fee. All applications and entries must be filled out and paid online. Link to application is located at <https://statefair.exponm.com/p/participate/competitions/parade>.

Applications and the signed waiver must be received by the State Fair parade office by 5pm on August 30, 2021. The parade line up will be posted on the NM State Fair website by September 3, 2021.

Every participant in the parade will receive a one-day courtesy admission to the Fair.

Awards will be presented in a number of categories. Please see "classes" for more information on classes/categories.

Phone: 505-222-9746

Entries are accepted on first-come basis.

The Governor of New Mexico will be the first entry in the parade immediately after the opening ceremonial units. The Mayor of Albuquerque will be the second entry in the parade immediately after the opening ceremonial units.

Support vehicles for marching units will not be allowed in the parade.

A support person pulling a cooler alongside is ok.

Parade participants that violate the rules, guidelines, or instructions from a parade marshal may be removed from the parade and/or prohibited from participating in future parades. The NM State Fair General Manager will resolve any disputes.

Ultimately, responsibilities for safety lie with each individual entry. The NM State Fair, its agents and others of the parade's organizing bodies assume no responsibility in connection with, and make no representation as to the safety of any parade entry, in whole or in part, solely by reason of compliance with rules, regulations and/or guidelines for the parade.

The person making the application on behalf of an organization is determined to be an adult responsible for all participants following directions and abiding by the guidelines, rules and regulations. This person is encouraged to ensure that minors participating have signed parental permission to participate. Such documents must be available for inspection upon request the morning of the parade.

COVID-19 Acknowledgment

While participating in New Mexico State Fair ("Fair") events "social distancing" must be practiced and face coverings worn at all times to reduce the risks of exposure to COVID-19. Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, the Fair has put in place preventative measures to reduce the spread of COVID-19. However, the Fair cannot guarantee that its participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

Assumption of the Risk

As a participant, volunteer, or attendee, you recognize that your participation, involvement and/or attendance at any Fair event or activity includes possible exposure to and illness from infectious diseases including but not limited to COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist and that you knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID-19, even if arising from the negligence or fault of the Released Parties.

Day of Parade

Specific instructions about parade day activities will be provided to accepted participants around August 30, 2021. All entries should check-in with a parade Marshal upon arrival at their assigned time in order to be directed to the specific staging area.

Bernalillo County Sheriff's Posse members will serve as Parade Marshals and provide guidance and operational support. A Parade Marshal (in uniform and on horseback) will be on duty in each staging area as well as at various locations along the parade route to insure the smooth and orderly progression of the set up and of the parade itself. Marshals will have the authority to remove any entry causing a delay, violating official parade rules or failing to cooperate.

For identification purposes, numbers and signs that identify the participant must be placed on the front driver side of the vehicle or float or carried in a similar position for identification for the judges.

Under no circumstances shall any participant, unit or entry move to a different position within the parade line-up before or during the parade, except under the direction of Parade Marshal. Riding participants will not be permitted to jump dismount and remount while the parade is in progress.

Proper unit spacing and parade pace is critical. Parade speed will maintain approximately four (4) feet per second. Voluntary stopping for drill formation, reverse marching bands or drill teams cannot exceed 45 seconds.

No speeding up, skidding, sudden braking and/or “wheelies”.

Vehicle and float drivers must remain with their units until the parade is dispersed. Floats should be ready for a safety inspection by 7:30 am.

All Participants shall adhere to guidelines for containing the COVID-19 pandemic set forth by the New Mexico Department of Health (NMDOH) as well as all New Mexico State Fair COVID Safe practice policies and procedures. These guidelines provide a basic overview of key containment policies. In addition, the State of New Mexico published *All Together New Mexico* (<https://nmml.org/together-new-mexico-covid-safe-practices-individuals-employers/>), a guide for individuals and businesses on COVID Safe Practices.
