Sheep To Shawl

The Sheep to Shawl exhibit is located inside the Jr. Livestock Pavilion. Visitors follow each step in the processing of wool: shearing the sheep, washing and dyeing the wool, spinning and weaving to a finished garment. This is a joint effort of Las Aranas Spinner and Weavers Guild and the Sheep and Wool Producers of New Mexico, greatly aided by friends and supporters from all over New Mexico. A representative from each group is always on hand to answer any questions.
