SPONSORSHIP OPPORTUNITIES

2023

TABLE OF CONTENTS

In its 37th year, The North Carolina Seafood Festival (NCSF), Inc. is a non-profit organization of Carteret County citizens and businesspeople, in conjunction with the Town of Morehead City, N.C.

Recognizing the importance of seafood to eastern North Carolina, The North Carolina Seafood Festival, Inc. is organized to develop and conduct a festival every year, the first full weekend in October, to: promote the positive social and economic impact of the seafood industry on the citizens of North Carolina; educate the public about seafood and its importance to the state economy; publicize the wide variety of local seafood indigenous to North Carolina and provide the opportunity for people to enjoy it; and boost tourism and recreation in eastern North Carolina during the non-summer months; establish a scholarship program for educational pursuits related to the seafood industry; and provide the opportunity for North Carolina non-profit, civic, church and educational organizations to raise funds through participation in the Festival.

Festival proceeds are shared with community organizations who donate their efforts to the event. Since 1987, over \$1.8 million has been dispersed among participating Carteret County non-profit groups.

Carteret County's commercial fishing fleet plays an important role both statewide and nationally in providing fresh fish and shellfish we expect to find in our restaurants and markets. Held on Sunday morning during each Festival weekend, this service begins at the Port along the Waterfront.

Oyster Shucking Contests - \$5,000

Whether you want to come shuck, watch, or eat, these contests are a highlight of our seafood celebration! On Saturday, all amateur shuckers are invited to compete in several contests throughout the day. The professional Oyster Shucking Shoot Out™ will be held in multiple heats on Sunday. Men and women from the seafood industry,

shucking houses, restaurants, and oyster farms are encouraged to participate. This competition will be spectacular to witness and there will never be a dull moment! The best oyster shuckers will go head-to-head in a final competition for cash prizes!
